

CURRICULUM VITAE

Peter A. Rogerson

University Address:

Department of Geography
Wilkeson Hall
State University of New York at Buffalo
Buffalo, New York 14261
(716) 645-0483

Education

State University of New York at Buffalo, Ph.D., 1982, Geography
Dissertation Title: Behavioral and Aggregate Approaches to Migration Modeling
University of Toronto, M.A., 1977, Geography
State University of New York at Albany, B.A., 1976, Geography and Mathematics, *summa cum laude*

Employment History

Adjunct Professor, Department of Biostatistics, 2003-present.

Professor, Department of Geography, State University of New York at Buffalo, 1990-present.

Fellow, Center for Advanced Study in the Behavioral Sciences, Stanford, CA, 1992-93.

Chair, Department of Geography, State University of New York at Buffalo, 1991-1994, 2007-2010.

Associate Professor, Department of Geography, State University of New York at Buffalo, 1986-1990.

Assistant Professor, Departments of Civil Engineering and Geography, Northwestern University, 1981-1986.

Research Associate for Special Project on Economic-Demographic Modelling, jointly sponsored by the American Statistical Association, the National Science Foundation, and the U.S. Bureau of the Census, Washington, D.C., 1980-1981.

Biostatistician for New York State Department of Health, Albany, New York, 1978.

Research Analyst for New York State Office of Parks and Recreation, Albany, New York, 1977-1978.

Honors and Awards

Rushton Academic Excellence Lecture Series, University of Iowa, 2018.
 Getis Lecture, San Diego State University, 2013.
 Promotion to SUNY Distinguished Professor, 2012.
 AAAS Fellow, 2012.
 Sustained Achievement Award, Exceptional Scholars Program, University at Buffalo, 2002.
 Guggenheim Fellowship, 1999-2000.
 Fellow, Center for Advanced Study in the Behavioral Sciences, Stanford, CA, 1992-93.
 Presidential Young Investigator Award, National Science Foundation, 1986-1992.
 Invited "Young Researcher Guest" of the Quantitative Methods Group at the Institute of British Geographers' Annual Conference, 1985, Leeds.
 Voted "Civil Engineering Professor of the Year" by the American Society of Civil Engineers' Undergraduate Chapter, at Northwestern University, 1984.
 Warren J. Nystrom Award, Association of American Geographers, 1983.
 Winner, Regional Science Dissertation Competition, 1982.
 Dorothy S. Thomas Award from Population Association of America, 1982.
 Phi Beta Kappa member

Books

Rogerson, P. 2020. *Spatial Statistical Methods for Geographers*. London: Sage. Under contract; forthcoming.

Rogerson, P. *Statistical Methods for Geographers*. London: Sage. (4th ed. published in 2015; 5th ed. forthcoming 2019).

 2. Rogerson, P. 1983. The Effects of Job Search and Competition on Unemployment and Vacancies in Regional Labor Markets. In *Evolving Geographical Structures*, edited by D. Griffith and A. Lea, The Hague: Martinus Nijhoff, 349-71.
 1. MacKinnon, R. and Rogerson, P. 1981. Perspectives on Information Sensitive Models of Migration. In *Dynamic Spatial Models*, edited by D. Griffith and R. MacKinnon, Alphen aen den Rijn, the Netherlands: Sijthoff and Noordhoff 67-87.

Book and Software Reviews

12. Multiregional Demography, by Andrei Rogers. *The Professional Geographer*, 1996, 48: 478-79.
11. Elderly Migration and Population Redistribution, edited by A. Rogers. London: Belhaven Press. *Annals of the Association of American Geographers*, 1993.
10. Frontiers of Input-Output Analysis, edited by R. Miller, K. Polenske, and A. Rose. Oxford: Oxford University Press. *Journal of Regional Science*, 1990, 30: 570-72.
9. Geographical Systems and Systems of Geography, edited by W. Coffey. London, Ontario: University of Western Ontario, Department of Geography. *Journal of Regional Science*, 1989, 277-79.

8. Integrated Analysis of Regional Systems, edited by P. Batey and M. Madden. London: Pion. *Annals of Regional Science*, 1987.
7. Migration and Settlement: A Multiregional Comparative Study, edited by A. Rogers and F. Willekens. Boston: D. Reidel. *Geographical Analysis*, 19, (1987), 376-77.
6. Software Packages for Population Analysis on Microcomputers with PC-DOS or MS-DOS. *The Professional Geographer*, 39, (1987), 484-485.
5. Urban Evolution: Studies in the Mathematical Ecology of Cities, by Dimitrios Dendrinos with Henry Mullally. Cambridge: Cambridge University Press. *Transportation Science*, (1987).
4. Gauss for the IBM PC. *The Professional Geographer*, 1987, 39: 87-88.
3. Integrated Forecasting in Strategic Planning Practice, edited by P. Batey and M. Madden. *Annals of Regional Science*, 1986.
2. Spatial Models and Spatial Statistics, edited by G. Gaile and C. Willmott. Boston: Reidel. *Journal of Regional Science*, 25, 1985.
1. Geographic Living-Cost Differentials, by Richard J. Cebula. Lexington, MA: Lexington Books. *Economic Geography*, 1984, 89-90.

Unpublished Discussion Papers and Reports

Rogerson, P. and Fotheringham, A. S. 1992. GIS and Spatial Analysis: Report on the Specialist Meeting. Buffalo: National Center for Geographic Information and Analysis, Report 92-11.

Rogerson, P. Some Thoughts on Research Directions in Economic Geography. Invited comments prepared for the workshop on "Structure, Structuration, and the Post-Fordist Matrix Multiplier", Phoenix, Arizona, April, 1988.

Rogerson, P. and Stack, R. Demographic Changes in the Metropolitan Areas of the Great Lakes. Occasional Paper Number 87-2, Great Lakes Program, State University of New York at Buffalo, May, 1987.

Rogerson, P. Forecast of Illinois Housing Demand, 1980-2000. Submitted to the Governor's Office of Planning, State of Illinois, August, 1985.

Rogerson, P. Research Priorities and Infrastructure Needs. Prepared for the Association of American Geographers, July, 1985.

Rogerson, P. Aggregate Approaches to Migration Modelling. Prepared for the Warren J. Nystrom Award Session of the Association of American Geographers, 1983.

Rogerson, P. Job Turnover and Interregional Migration. ASA/Census Working Paper 5, The Institute of Urban and Regional Research, University of Iowa, 1982.

Rogerson, P. Extending the Markov Model: The Use of Differential Stationarity. Discussion Paper 24, Department of Geography, University of Toronto, 1978.

Grant Support

Optimal Spatial Weighting for Assessing Local Spatial Statistics, National Science Foundation, September, 2010 – February, 2013, \$182,104.

Geographic Tools for Surveillance and Study of Disease, September, 2001-August, 2004, \$927,454 (with Dan Wartenberg (PI) and Andrew Lawson). National Institutes of Health. Subcontract to Buffalo: \$225,000.

Methods for Monitoring of Spatial Patterns, National Science Foundation, July, 15, 1999-July 14, 2001, \$93,763.

Spatio-temporal GIS Analysis for Environmental Health, National Institute of Health, June 1, 1999-May 31, 2003, \$1,600,000. (David Mark, Principal Investigator; other co-PIS: Ling Bian, John Vena, and Max Egenhofer).

Detection and Prediction of Geographical Changes in Crime Rates, National Institute of Justice, January, 1999- December, 2000, \$221,520 (with Rajan Batta and Christopher Rump).

Transportation Database Design, Center for Transportation Injury Research, Calspan-UB Research Center (with Rajan Batta), November, 1998-September, 1999, \$40,052.

Crime Analysis in GIS, National Institute of Justice and Environmental Systems Research Institute, \$180,000, January, 1998- June, 1999. (subcontract to University at Buffalo through ESRI; Ezra Zubrow, Principal Investigator).

Automated Collision Network, Calspan-UB Research Center (with Rajan Batta), \$28,000, 1996-97.

Minority Aging in a Diverse Society: Community, Family, and Individual Determinants of Living Arrangements, Administration on Aging, \$134,227, 1996-97 (with Jan Mutchler and Jeffrey Burr).

Geographical and Sociological Models of Intergenerational Relations, National Science Foundation, \$65,860, 1994-95 (with Jeffrey Burr and Jan Mutchler).

School Enrollment Projections for Barker Central Schools, \$3,000, 1990 (with Hugh Calkins).

Demography of Aging. SUNY Conferences in the Disciplines, \$2,300, 1989-1990 (with Jeffrey Burr, Jan Mutchler, and Ezra Zubrow).

Demographic and Economic Trends and Prospects in Erie and Niagara Counties. New York State Great Lakes Program, October, 1986 - April, 1987, \$2,700.

Presidential Young Investigator Award, National Science Foundation, June, 1986-January, 1993,

\$195,113.

Forecast of Housing Needs for the State of Illinois, May-October, 1985, Illinois Office of the Governor, \$12,000 (with Alex Anas).

Labor Market Competition Processes and their Effects on Migration and Unemployment.
National Science Foundation, April, 1985 - March, 1986, \$32,352.

Modeling Economic-Demographic Processes. National Science Foundation, July, 1983 - June, 1984, \$32,851.

The Demographics of Deconcentration. Northwestern University, May, 1983 - April, 1984, \$1,200.

Editorial Activity

Editorial Board, *Spatial and Spatio-temporal Epidemiology*, 2009-present.

Editorial Board, *Professional Geographer*, 2009-2010.

Editorial Board, *Geographical Analysis*, unknown – present.

Editorial Board, *Annals of the Association of American Geographers*, 1993-2000.

North American Editor, *Papers in Regional Science*, 1989-1991.

Co-Editor, *Papers of the Regional Science Association*, 1984-1989.

Editorial Board, *International Regional Science Review*, 1985-present.

Guest Editor, special issue of *Research on Aging on the Demography of Aging*, 1990.

Service to National Scientific Organizations

Member, Advisory Board, Long Island Breast Cancer Study Project, Brookhaven National Laboratory.

National Academy of Sciences, Committee on National Statistics. Member of Panel to Evaluate Alternative Census Methods, 1992-94.

National Science Foundation, member of Biological, Behavioral, and Social Sciences Task Force Looking to the 21st Century, 1990.

National Science Foundation, member of Geography and Regional Science Panel, 1994-1996, 2010-2012.

National Science Foundation, member of Measurement, Methods, and Statistics Panel, 1997-present.

Professional Memberships and Activities

Association of American Geographers

Judge for Student Paper Competition, West Lakes Division, 1985.

Councillor, Population Specialty Group, 1987-1990.

Coordinator of Population Specialty Group sessions, 1986-88.

Co-organizer or organizer of six sessions for the Quantitative Methods and Mathematical Models Specialty Group, 1983-1987.

Regional Science Association

Co-organizer of 13 sessions for the 1988 annual meeting.

Population Association of America

Member of Dorothy S. Thomas Award Committee, 1988-present.

Organizer and chair of session on Internal Migration in the U.S., 1989.

Chair of session on Internal Migration, 1990.

Community Service

Clarence Central School District, Enrollment Projections, 1995-96.

Frontier Central School District, Enrollment Projections, 1994.

Williamsville School District, Five-Year Enrollment Projections, 1993.

Amherst School District, Report on Kindergarten Enrollment Projections, January, 1994.

Barker School District, Enrollment Projections, 1990.

Radio Broadcast, National Public Radio, Spatial Separation Between Parents and Their Adult Children. April, 1992.

Amherst School District Committee on Enrollment Projections and Resource Allocation, 1991-92.

Regional Economic Policy and Analysis Group, Erie and Niagara Counties Regional Planning Board

Advisor to Buffalo of Chamber of Commerce Subcommittee on Demographics, Summer, 1987

Advisor to Judith Albino, chair of the Facilities Review Committee for Smallwood and Windemere Schools, 1989.

Radio Broadcast on WJYE-FM, Consequences of the Baby Boom. 1989.

University Service

Search Committee: Dean of the School of Health and Health-Related Professions (2008)

Presidential Review Board (appointments and promotions) 2005-2007

Dean's Search Committee, 1998.

Commencement Marshal, 1987-1988; 1990-1992, 1994-1997.

Reviewer for proposal submitted to Sponsored Programs Administration, 1987.

Freshman Honors Program Mentor, 1986-88.

Member, Field Studies Committee, 1982-1986.

Faculty Associate, College of Community Studies, 1981-1986.

Faculty Service

Faculty of Social Sciences Personnel Committee, 1995-97.
 Search Committee, Economics chair, 1990.
 National Center for Geographic Information and Analysis Committee, 1988-present.
 Faculty of Social Sciences Policy Committee, 1986-89.
 Committee on Adaptations to Special Populations, Graduate Research Initiative
 Committee on Effecting Social and Economic Change in Western New York
 Search Committee, Canadian Studies Program Director
 Search Committee, secretary, Organized Research Center
 Search Committee, technician, Organized Research Center
 Member, Committee on the Urban Studies Program, 1984-1986.
 Member, Council on Urban and Regional Planning, 1981-1986.
 Member, Committee on Curriculum and Academic Affairs, Council on Urban and Regional
 Planning, 1981-1986.
 Freshman Advisor, Technological Institute, 1983-1986.

Departmental Service

Department Chair, 1991-94, 2007-2010.
 Geographic Information and Analysis Lab Policy Committee, 1988-92.
 Director of Undergraduate Studies, 1987-1991; 1994-2006.
 Graduate Program Secretary, Department of Geography, 1982-1986.
 Faculty Secretary, Department of Civil Engineering, Fall Quarters, 1981-1986.

Courses Taught

Introduction to Human Geography
 Contemporary Urban Issues
 Introduction to City and Regional Planning
 Uncertainty Analysis
 Regional Population Analysis
 Computer Analysis of Geographic Data
 Matrix Methods in Urban and Regional Planning
 Multivariate Statistical Analysis in Planning and Transportation
 Mathematical Models in the Social and Behavioral Sciences
 Recent Population Change in the United States (Freshman Honors course)
 Methods of Regional Analysis
 Graduate Seminar in Search Theory
 Research Design
 Univariate Statistics in Geography
 Multivariate Statistics in Geography
 Geography of Health
 Spatial Statistics

Research Supervision**Ph.D.**

Invited Talks

“Central Places”, University of Iowa, April, 2018.

“Central Places”, University of Arizona, March, 2017.

Extensions of the Getis-Ord Statistic, University of Texas-Dallas, March 2016.

Geographic Centers and Centers of Population. SUNY Binghamton, February, 2015.

Annual Getis Lecture, San Diego State University, October, 2013.

Presentations at Conferences (presenter underlined for multiple author cases)

164. Rogerson, P. I Dream of Gini: Measures of Population Concentration and Their Application

- to U.S. Population Distribution. Session in Honor of David Plane, Annual Meeting of the Association of American Geographers, Washington, DC, April, 2019.
163. Rogerson, P. Measures of Population Concentration and Their Application to U.S. Population Distribution. Annual Meeting of the Association of American Geographers, Washington, DC, April, 2019.
 162. Rogerson, P. Type I and Type II Errors, Critical Values, p-values, and Confidence Intervals for Spatial Data. North American Regional Science Association, San Antonio, Texas, November, 2018.
 161. Rogerson, P. Spatial Perspectives on Historical Surname Distributions. American Association of Geographers Annual Meeting, New Orleans, LA, April, 2018.
 160. Khan, H., Jin, Z., Hussein, A.A., Rogerson, P., Raja, S., and Guru, K.A. Geo-Mapping and Spatial Analysis of Environmental Exposures and Bladder Cancer in Erie and Niagara Counties: An Exploratory Study. American Urological Association, San Francisco, CA. April, 2018.
 159. Rogerson, P. The Gini Coefficient: New Interpretations. Conference on Regional Inequality. Marburg, Germany, March, 2018.
 158. Rogerson, P. The Demography of Suburban Neighborhoods. Regional Science Association, Vancouver, BC, November 2017.
 157. Rogerson, P. and Plane, D. A Demographic Profile of Albion, NY in the Mid-Nineteenth Century. Annual Meeting of the Association of American Geographers. San Francisco, CA, April 2016.
 156. Rogerson, P. and Plane, D. Albion's Tree. Annual meeting of the Association of American Geographers, Chicago, IL, April, 2015.
 155. Plane, D. and Rogerson, P. On Calculating, Tracking, and Disaggregating Center Points of Population. Annual meeting of the Association of American Geographers, Chicago, IL, April, 2015.
 154. Gallagher, D., Aldstadt, J., Rogerson, P., and Burstein, G. 2014. The Spatial, Temporal, and Environmental Trends of Gonorrhea in Erie County, NY. STD Prevention Conference Centers for Disease Control, June 9-12, Atlanta, GA
 153. Plane, D. and Rogerson, P. On Calculating, Tracking, and Disaggregating Center Points of Population. North American Regional Science Association, Bethesda, MD, November, 2014.

152. Rogerson, P. A New Interpretation of the Gini Coefficient. Annual Meeting of the Association of American Geographers, Tampa, FL, April, 2014.
151. Rogerson, P. and Kedron, P. A Simple Adjustment for Testing Local Statistics Across Many Scales. Annual Meeting of the Association of American Geographers, New York, NY, February, 2012.
150. Ha, H., Rogerson, P., Olson, J., and Bian, L. Geographic variation of soil lead concentrations in Anniston, Alabama. Annual Meeting of the Association of American Geographers, New York, NY, February, 2012.
149. Rogerson, P. and Plane, D. The Hoover Index of Population Concentration and the Demographic Components of Change: A Paper in Memory of Andy Isserman. Western Regional Science Association, Poipu, Hawaii, February, 2012.
148. Rogerson, P. and Plane, D. The Hoover Index of Population Concentration and the Demographic Components of Change: A Paper in Memory of Andy Isserman. North American Regional Science Meeting, Miami, FL, November, 2011.
147. Rogerson, P. and Plane, D. The Hoover Index of Population Concentration and the Demographic Components of Change: A Paper in Memory of Andy Isserman. Meeting and session in honor of Andrew Isserman, Urbana, IL, November, 2011.
146. Rogerson, P. Scale estimation and significance testing for three focused statistics. GEOMED, Victoria, B.C., October, 2011.
145. Rogerson, P. Comments for the session in honor of Andrew Isserman. Association of American Geographers, Seattle, WA, April, 2011.
144. Lim, E. and Rogerson, P. Detecting a sequence of changes in multiple patterns based on a nonparametric CUSUM. Association of American Geographers, Seattle, WA, April, 2011.
