

Attend this 2018 Geography Awareness Week Event

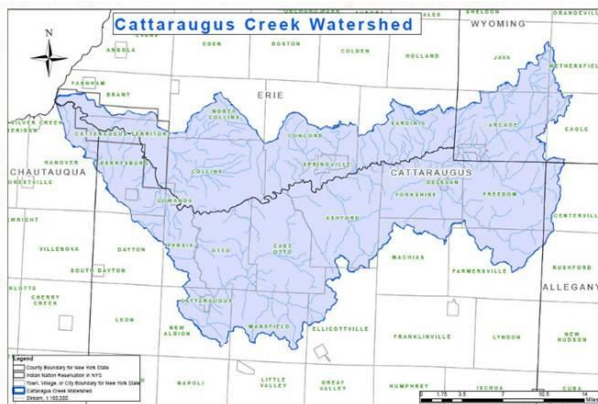

Sponsored by the Geography Graduate Student Association (GGSA):

Integrated Management Approaches addressing current water resources challenges in the Cattaraugus Creek Watershed

Tuesday November 13th 2018 - 8am –Noon
Letro Courtroom, O'Brian Hall,
University at Buffalo - North Campus

Undergraduate and Graduate Students in Geography and Law enrolled in
Geo 470/570 & Law 777: Integrated Environmental Management
presenting their group and individual findings to stakeholders

This activity supports the NY's [Great Lakes Action Agenda initiative](#) and the Lake Erie regional stakeholder work group that has identified the Cattaraugus Creek watershed (incl. Gowanda, Springville, Arcade) as a regional priority for conservation.

Stakeholders: **Shannon Dougherty** (NYS Department of Environmental Conservation), **Joanna Panaszewicz** (Erie County, Lake Erie Watershed Protection Alliance), **John Whitney** (USDA Natural Resources Conservation Service), **Michael Voorhees** (US Army Corps of Engineers, Buffalo District), **Mike Gates** (Seneca Nation of Indians, Emergency Management), and **Margaux Valenti, Esq.** (Buffalo Niagara Waterkeeper).

Students in groups of 6 to 7 students will present their suggestions in 1 1/2 minute power point lightning according to this schedule (after each group the stakeholders will question or comment on the students' projects and their recommendations:

- 8:15 am: Group 1: Source Water & Upland Areas
- 8:45 am.: Group 2: Riparian Buffers
- 9:15 am: Group 3: Channel Banks & Beds
- 9:45 am: Group 6: Coastal Zone & Harbor
- 10:15 am: Group 4: Wetlands & Floodplains
- 10:45 am: Group 5: Groundwater & Sewer

The event is free and open to the public. If you need more information please contact Chris Renschler at renschr@buffalo.edu or +1-716-645-0480.
