

UBFIRST RDS Sign-On for Mac

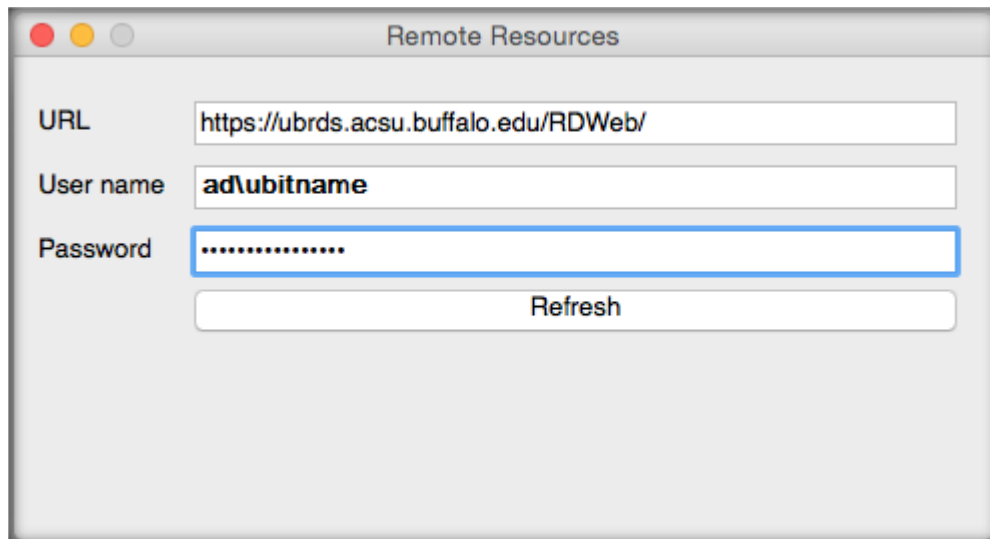

From the Apple Store download and install the latest Microsoft Remote Desktop app – it should be version 8.0.12 or higher.

Launch the Microsoft Remote Desktop app and click on Remote Resources:

Fill in the dialog box as follows:

URL: <https://ubrds.acsu.buffalo.edu/RDWeb/>
User name: `ad\ubitname` - where ubitname = your actual UBITName
Password: your UBIT password

Click Refresh. You will see the message: "Successfully loaded Remote Resources". Close the Remote Resources window. Double-click UBFIRST under Remote Resources to launch:
