Name _____ Person Number _____

Date of Retirement _____ Agency Retired From _____

I elect employment under the provisions of Article 7, Section 212 of the New York State Retirement and Social Security Law.

I understand that my total gross earnings from New York State public employment while working under this Section of the law cannot exceed the annual earnings limit determined by law in a calendar year until the beginning of the calendar year in which I reach age 65.

I acknowledge that I understand the annual earnings limit in effect as of my signature date on this form and it is my responsibility to obtain information about future changes.

I recognize that earnings in excess of this amount, without approval required by Section 211 of New York State Retirement and Social Security Law, will result in a suspension of my retirement allowance.

I accept that I am responsible for coordinating the reporting of earnings from New York State public employment to my pension. Pension payments are not automatically suspended. I will work directly with my pension to suspend it once I have reached my earnings limitation. I otherwise may have to repay earnings received over the annual limit to my pension.
