## SUNY Trustee and UB Officials

### Eunice Ashman Lewin

*Member of the State University of New York Board of Trustees*

President and co-founder of Impacto Consulting Associates, Eunice Ashman Lewin joined the SUNY Board of Trustees in February 2010. She helped reinstate the Student Life Committee, on which she is co-chair. In that capacity,

she spearheaded the creation of the Food Insecurity and the Mental Health task forces. Lewin serves on the board's Executive Committee and the committees for academic affairs, communications and external affairs, community colleges, and academic medical centers and hospitals.

A former commissioner of the Niagara Frontier Transportation Authority, Lewin was a founding member of the Roswell Park Alliance and a board member of the Buffalo Urban League and Hispanics United of Buffalo. She is a member of the Hispanic Women's League and the Greater Buffalo Racial Equity Roundtable. Earlier this year, she was named to the Western New York Health Equity Task Force to coordinate vaccine distribution for the region's counties.

A retired bilingual social worker for the Buffalo Board of Education, Lewin is a champion for STEM education.

Born in Guantanamo, Cuba, Lewin immigrated to the U.S. with her family in 1967. She holds a bachelor's degree in sociology from Marymount Manhattan College and master's degrees in American and Puerto Rican studies, and in educational administration, from UB.

### Jeremy M. Jacobs

*Chairman of the University at Buffalo Council*

Jeremy M. Jacobs was appointed to the UB Council in 1997; in 1998, then-Gov. George Pataki named him chairman. Jacobs is chairman of Delaware North, a global hospitality company with customers in the United

States, Australia, New Zealand and the United Kingdom. The company's operations include food and retail at airports and sports venues, sports facility ownership and management, operations of parks and major tourist attractions, hotel ownership and management, gaming operations and fine dining.

Jacobs owns the Boston Bruins and serves as chairman of the National Hockey League's Board of Governors. In 2018, he received the sport's highest honor when he was inducted into the Hockey Hall of Fame.

An alumnus of UB's School of Management and Harvard Business School's Advanced Management Program, Jacobs holds honorary doctorates in humane letters from UB, Canisius College, Niagara University and Johnson & Wales University. In 2015, his family donated \$30 million to advance UB's medical school, which was renamed the Jacobs School of Medicine and Biomedical Sciences.

Jacobs has served Western New York for more than four decades with his business expertise and philanthropic leadership, and Delaware North has received multiple awards for social responsibility, community service and environmental stewardship.

A longtime friend and supporter of UB, Jacobs has served as chairman, trustee and director of the UB Foundation, chairman of the President's Board of Visitors and adviser to the School of Management.

### Satish K. Tripathi

*University President*

An internationally distinguished researcher and higher education leader, Satish K. Tripathi, PhD, is the University at Buffalo's 15th president.

Tripathi, who served as UB's provost from 2004-2011, was dean of the Bourns College of Engineering at the University of California-Riverside from 1997-2004. Previously, he spent 19 years as professor of computer science at the University of Maryland, including seven years as department chair.

Tripathi graduated at the top of his class from Banaras Hindu University (BHU). He holds a master's degree and a doctorate in computer science from the University of Toronto, as well as master's degrees in statistics from the University of Alberta and BHU. A fellow of the IEEE and the American Association for the Advancement of Science, he holds honorary doctorates from the Indian Institute of Information Technology, Allahabad, and Brock University in Canada.

A leader in the national higher education community, Tripathi serves as chair of the Mid-American Conference Council of Presidents and on the boards of the NCAA Division I, NCAA Board of Governors and College Football Playoff Board of Managers. A member of Gov. Andrew Cuomo's Reimagine NY Commission, he has served on the boards of the Association of American Universities, the Association of Public and Land-Grant Universities and the Council for Higher Education Accreditation. In 2011, Gov. Cuomo appointed Tripathi inaugural co-chair of the Western New York Regional Economic Development Council, a position he held until 2017.

## A. Scott Weber

*Provost and Executive Vice President  
for Academic Affairs*

As provost and executive vice president for academic affairs, A. Scott Weber, PhD, serves as the university's chief academic officer, responsible for leading the development and implementation of the

university's academic vision. Weber provides leadership across the academic enterprise including research, scholarship and creative activities; undergraduate, graduate, professional and international education; faculty development; diversity and inclusion initiatives; and university libraries.

A member of UB's faculty since 1983, Weber is an innovative scholar and teacher and former chair of UB's Department of Civil, Structural and Environmental Engineering, where he helped establish UB's transportation engineering program and oversaw the department's significant rise in national rankings among U.S civil engineering programs. Weber has held progressively responsible administrative roles at UB, including senior vice provost and vice provost for academic affairs, where he was instrumental in the creation of the UB Curriculum and the nationally recognized Finish in 4 program; and vice president for student life, where he focused on enhancing the student experience on campus and promoting overall student wellness.

Weber's research focuses on biodegradation of chemicals in water and soil and the reclamation of environmentally impacted brownfield sites. He earned bachelor's and master's of science degrees in civil engineering from Virginia Polytechnical Institute and a PhD in civil engineering from the University of California, Davis.

## Robin G. Schulze

*Dean of the College of Arts and Sciences*

Robin G. Schulze, PhD, joined the University at Buffalo in July 2016 as dean of the College of Arts and Sciences and professor in the Department of English. As leader of UB's largest and most diverse academic unit, she drives UB's

commitment to prepare students to be active, knowledgeable, engaged citizens in a dynamic global community.

Over the last five years, Schulze has worked to keep the College strong. She has increased research expenditure in the College and has secured major investments to enhance the College's disciplinary excellence, including funds to support the College's first two female SUNY Empire Innovation Professors. While championing disciplinary excellence, she has also invested in programs that approach critical present problems from a variety of disciplinary vantage points. The College's new department of Environment and Sustainability is a testament to that approach. She is also Co-principal Investigator on UB's first-ever Mellon Foundation grant in support of the College's new Department of Indigenous Studies which honors the university's long-standing commitment to training generations of native scholars. An advocate for the value of experiential learning, she has raised funds to provide College students access to important career building, learn-by-doing opportunities.

Schulze began her career at the University of Kansas. She moved to Penn State, where she became Head of the Department of English. In 2012, she moved to the University of Delaware and became the Associate Dean for the Humanities, a position she held until her move to UB.

# The Mace

Designed to tell the story of the university and the Niagara Frontier, the University at Buffalo mace was fashioned by silversmith Hudson Roysner of Arcadia, Calif. It was used for the first time in the 1962 general commencement.

The mace is silver with accents of lapis and howlite to represent the university's colors. It is topped by a miniature walled structure representing the city of Buffalo. Engraved atop the city are three arrows bound together, symbolizing the unity of UB and the city.

A band of alternating jewels of lapis and howlite encircles the head of the mace and bears the founding dates of the 13 divisions that composed the university in 1962.

The UB arms appear on the front of the head. On the back are the arms of the United States, encircled by the name Millard Fillmore and the dates during which he was U.S. president and UB chancellor.

The discovery of Lake Erie in 1669 by Louis Joliet and early explorations by Robert de LaSalle are symbolized on the left side of the head. A crest on the right side symbolizes the university's role as a dynamic center of human growth and welfare.

The wild rose, the New York state flower, is depicted in a floral motif at the top and bottom of the mace's head. Encircling the ends of the shaft are three wavy lines representing intellect and water, the latter a reference to the Niagara River and Great Lakes.

The motto "University and City: Community" is lettered in Latin around the knob of the shaft.

Traditionally used in university ceremonies, the mace is a symbol of enlightened authority. The mace bearer is the chair of the university's Faculty Senate.

# About the College of Arts and Sciences

For over a century, the College of Arts and Sciences has served as the center of scholarly excellence and radical innovation at the heart of the University at Buffalo. Comprising 29 departments in the arts, humanities, social sciences, natural sciences, and mathematics, as well as 16 special programs and 23 centers and institutes, the College is not only the largest campus unit, but the one most likely to directly impact every UB student at some point in their educational career. Our more than 420 dedicated faculty members, including 30 SUNY Distinguished Professors, prepare over 8,000 undergraduate and graduate students per year to become the critical thinkers and compassionate leaders so vital to our ever-evolving society.

Students in the College of Arts and Sciences also benefit from UB's status as a premier public research university, and the breadth of resources this status provides. Internship, research, study abroad, and service-learning opportunities pull students out of the classroom and into the real world of hands-on problem-solving. From advancements in targeted drug delivery and photonics; to complex understanding of climate challenges; to creative achievements in theatre, contemporary music, poetics, and the arts, our students contribute regularly to the industries that will eventually employ them, and from which they will dispatch crucial and compelling solutions.

"Liberal arts education is, in my view, the working definition of education," says Robin Schulze, Dean of the College. "The liberal arts grant students the skills to solve problems and the imagination and courage to make a better future. Our faculty are leaders in their fields. They challenge students to see complex issues from a variety of perspectives, and to think creatively and collaboratively about how to make a difference in the world. The College really is a perfect place for students to find their passions and their purpose. We can't do this work without the support of our alumni and friends—the people who understand that a liberal arts education is critical to our collective good. Our mission is to help our students become active, empathetic citizens of a diverse and dynamic global community."

This year's graduating class joins nearly 110,000 College alumni, a massive network composed of internationally-recognized researchers, scientists, and educators; pioneering business leaders; prominent writers and journalists; celebrated musicians and composers; and award-winning film directors, actors, artists, and designers. These extraordinary men and women represent a tremendous legacy, one strengthened by the accomplishments of each additional class of College graduates.

The College would like to thank the members of the Class of 2021 for their efforts over the past four years, and wish them the best of luck in their continued pursuit of knowledge and invention. As they sit poised on the brink of future success, we hope they will remember their time in the College as a period of discovery and growth, stay actively connected to their alma mater, and help guide new generations of UB Bulls to build on their exemplary foundation.

Subject to the completion of all degree requirements, degrees will be conferred as indicated upon those individuals listed herein who were identified by April 12, 2021, and upon such others as may meet the requirements of their respective degrees. Candidates are listed according to actual date of degree conferral (August 2020, February 2021 and June 2021).

In the following lists, candidates for a joint major (a major that combines subjects from two departments), or a double major (a degree encompassing two majors), are denoted by an asterisk (\*). Candidates for a double degree (the award of two distinct degrees completed concurrently), or a combined degree (the award of an undergraduate and graduate degree completed concurrently), are denoted by two asterisks (\*\*). Candidates for a triple major (a degree encompassing three majors), are denoted by three asterisks (\*\*\*). Candidates for a double major or joint major and a double degree or combined degree are denoted by a diamond (◇).

## Latin Honors

Subject to completion of all degree requirements and satisfaction of the following minimum criteria, Latin honors may be conferred as indicated upon the individuals listed herein and upon such others as may meet the requirements. To qualify for Latin honors, students must present a minimum of 60 credit hours of UB undergraduate coursework, at least 54 of which must be graded credits (i.e., not satisfactory or unsatisfactory [grades of 'S' or 'U']). The UB GPA must be a minimum of 3.2 (to 3.499) for cum laude, 3.5 (to 3.749) for magna cum laude and 3.75 (to 4.0) for summa cum laude.

To receive the Latin honors designation in the printed 2021 commencement programs, candidates for the June 2021 degree conferral date must qualify based upon their UB cumulative GPA through the Winter 2021 session and total number of UB credit hours projected through the Spring 2021 semester. Standings for Latin honors MAY change once final grades are posted or degrees conferred.

## Phi Beta Kappa

Phi Beta Kappa is a national honor society that recognizes superior academic achievement in undergraduate work in the liberal arts and sciences.

## Legend

Cum laude is denoted by a dagger (†)

Magna cum laude is denoted by a double dagger (‡)

Summa cum laude is denoted by two daggers (††)

Phi Beta Kappa is denoted by (P)

# Academic Recognition Items

## **The Blue and Gold Cord**

This cord was received by graduating members of Delta Alpha Pi, an international academic honor society for college/university students with disabilities.

## **The Blue and White Cord**

This cord was presented to graduating College Ambassadors, student leaders who serve as representatives of the College of Arts and Sciences.

## **The Gold Cord**

This cord is awarded to students who are graduating with Latin honors.

## **The Grey and Red Stole**

This stole was received by students who are University Honors College graduates.

## **The SUNY Chancellor's Medallion**

This medallion was presented to recipients of the SUNY Chancellor's Award for Student Excellence. They were selected for this award based on their academic excellence and extracurricular involvement.

Dear Members of the Class of 2021,

It is with great pleasure that I congratulate you on your graduation from the University at Buffalo College of Arts and Sciences. What you have achieved today, and over the past several years, is truly admirable.

Thank you for your efforts in the classroom, the lab, the performance hall, the studio, the athletic field, and within the UB and greater Buffalo communities. You have become an integral part of our narrative. We will miss you.

As you transition into the next phase of your life, I want you to remember two things. First, your achievement does not end here. You are ready for whatever comes next. You have the knowledge and skills to succeed and the ability to define success on your own terms. Second, there are more than 280,000 UB alumni worldwide, ready and eager to welcome you to their ranks. No matter where you go, you will find friends to support you.

Today, I hope you celebrate this moment to its fullest with the people who have supported and encouraged you throughout your education. Tomorrow, I know you will use what you have learned here to make the most of every opportunity.

Good luck and enjoy the adventure.

Dear Members of the Class of 2021,

Congratulations! On behalf of the UB Alumni Association, I'm delighted to welcome you to your global network of more than 280,000 alumni. You've persevered during a year like no other, and we're proud of all you have accomplished.

As you begin your next chapter, please stay in touch! We have so many ways for you to remain connected—to UB and to each other—through email and social media, as well as through alumni events and volunteer opportunities happening across the country and around the world.

What does this mean for you in practical terms? It means that career help, volunteer opportunities, and engaging educational and social events are all yours for the taking. To learn more about what's available with your new alumni status, visit [buffalo.edu/alumni](http://buffalo.edu/alumni).

Remember, this isn't goodbye—it's WELCOME to the UB alumni family. We know you'll always be True Blue and will proudly keep your Horns Up, wherever you go and whatever you do. Contact the Office of Alumni Engagement at [ub-alumni@buffalo.edu](mailto:ub-alumni@buffalo.edu).

Go Bulls!

Gary J. Jastrzab, BA '76  
President, UB Alumni Association

P.S. Keep your @buffalo email for life simply by logging in through a browser every 90 days.

## UB Alma Mater

*Music by Walter S. Goodale, MD, 1903.  
Lyrics adapted by UB students in 2006 for  
contemporary use.*

### **Verse 1:**

The pride of our spirit and tradition,  
Our alma mater's truth and name declare.  
Celebrate our history and wisdom,  
O let us all prepare to sing her glory.

### **Refrain:**

To Buffalo all hail to thee,  
Noble and strong it's our university!  
To blue and white pledge loyalty,  
Singing, I will always remember thee!

### **Verse 2:**

We'll ever keep our standards high,  
And sing UB's praises to the sky.  
Receiving the finest education,  
Our knowledge we impart unto the nations.  
*(Repeat refrain)*

### **Verse 3:**

Our friends we've made with ties that bind,  
A union of our spirit, heart and mind.  
Together we'll continue life's journey,  
O may dear Buffalo forever be.  
*(Repeat refrain)*

\*UB alumnus/alumna

The University at Buffalo has come a long way since its founding in 1846 as a small, private medical school in downtown Buffalo. Today it is an internationally renowned public research university—the largest institution in the State University of New York system—with three vibrant campuses, 13 schools and colleges, and most importantly, upward of 30,000 students every year developing the knowledge, confidence and passion to make the world a better place.

In the words of President Satish K. Tripathi, “UB has always been defined by our community’s intellect, innovations and contributions to humanity. And it will continue to be for the next 175 years—and beyond.”
