SUNY Trustee and UB Officials

Eunice Ashman Lewin

Member of the State University of New York Board of Trustees

President and co-founder of Impacto Consulting Associates, Eunice Ashman Lewin joined the SUNY Board of Trustees in February 2010. She helped reinstate the Student Life Committee, which she co-chairs. In

this role, she spearheaded the creation of the Food Insecurity and the Mental Health task forces. Lewin serves on the board's Executive Committee and the committees for academic affairs, communications and external affairs, community colleges, and academic medical centers and hospitals.

A former commissioner of the Niagara Frontier Transportation Authority, Lewin was a founding member of the Roswell Park Alliance and a board member of the Buffalo Urban League and Hispanics United of Buffalo. She is a member of the Hispanic Women's League and the Greater Buffalo Racial Equity Roundtable. In 2022, Lewin was named co-chair of the 5/14 Remembrance Committee to honor the mass shooting victims of the May 14 tragedy in East Buffalo.

A retired bilingual social worker for the Buffalo Board of Education, she is a champion for STEM education.

Born in Guantanamo, Cuba, Lewin immigrated to the U.S. with her family in 1967. She holds a bachelor's degree in sociology from Marymount Manhattan College and master's degrees in American and Puerto Rican studies, and in educational administration, from UB.

Jeremy M. Jacobs

Chairman of the University at Buffalo Council

Jeremy M. Jacobs was appointed to the UB Council in 1997; in 1998, then-Gov. George Pataki named him chairman. Jacobs is chairman of Delaware North, a global hospitality company with customers in the United

States, Australia, New Zealand and the United Kingdom. The company's operations include food and retail at airports and sports venues, sports facility ownership and management, operations of parks and major tourist attractions, hotel ownership and management, gaming operations and fine dining.

Jacobs owns the Boston Bruins and serves as chairman of the National Hockey League's Board of Governors. In 2018, he received the sport's highest honor when he was inducted into the Hockey Hall of Fame.

An alumnus of UB's School of Management and Harvard Business School's Advanced Management Program, Jacobs holds honorary doctorates in humane letters from UB, Canisius College, Niagara University and Johnson & Wales University. In 2015, his family donated \$30 million to advance UB's medical school, which was renamed the Jacobs School of Medicine and Biomedical Sciences.

Jacobs has served Western New York for more than four decades with his business expertise and philanthropic leadership, and Delaware North has received multiple awards for social responsibility, community service and environmental stewardship.

A longtime friend and supporter of UB, Jacobs has served as chairman, trustee and director of the UB Foundation, chairman of the President's Board of Visitors and adviser to the School of Management.

Satish K. Tripathi

University President

An internationally distinguished researcher and higher education leader, Satish K. Tripathi, PhD, is the University at Buffalo's 15th president.

Tripathi, who served as UB's provost from 2004-2011, was dean of the Bourns College of Engineering at the University of California, Riverside, from 1997-2004. Previously, he spent 19 years as professor of computer science at the University of Maryland, including seven years as department chair.

In 2024, Tripathi was elected to the American Academy of Arts and Sciences. A fellow of IEEE and AAAS, he has published more than 200 scholarly papers, supervised more than 30 doctoral and postdoctoral students and served on program committees of numerous international conferences.

Tripathi graduated at the top of his class from Banaras Hindu University (BHU). He holds a master's degree and a doctorate in computer science from the University of Toronto, as well as master's degrees in statistics from the University of Alberta and BHU. He has received honorary doctorates from the Indian Institute of Information Technology, Allahabad, and Brock University in Canada.

Tripathi is co-chair of the Association of American Universities (AAU) Task Force on Expanding U.S.-India University Partnerships, and he serves on the College Football Playoff Board of Managers. Previously, he was chair of the Mid-American Conference Council of Presidents and Internet 2. He also served on the boards of the AAU, the NCAA Division I, the NCAA Board of Governors, the Association of Public and Land-Grant Universities and the Council for Higher Education Accreditation.

A. Scott Weber

*Provost and Executive Vice President
for Academic Affairs*

As provost and executive vice president for academic affairs, A. Scott Weber, PhD, serves as the university's chief academic officer, providing leadership across the academic enterprise including

research, scholarship and creative activities; undergraduate, graduate, professional and international education; faculty development; diversity and inclusion initiatives; and university libraries. Weber is leading the implementation of the university's vision to be recognized among the top 25 public research universities in the nation, focused on building on UB's strengths to achieve new levels of excellence in research, scholarship, education, clinical care and engagement.

A member of UB's faculty since 1983, Weber is an innovative scholar and teacher and former chair of UB's Department of Civil, Structural and Environmental Engineering. Weber has held progressively responsible administrative roles at UB, including senior vice provost and vice provost for academic affairs, where he was instrumental in the creation of the UB Curriculum and the nationally recognized Finish in 4 program; and vice president for student life, where he focused on enhancing the student experience on campus and promoting overall student wellness.

Weber serves on New York's Hazardous Waste Facility Siting Board for Chemical Waste Management. He is a former board member and current advisory committee member of the United Way of Buffalo and Erie County.

Weber earned bachelor's and master's of science degrees in civil engineering from Virginia Polytechnical Institute and a PhD in civil engineering from the University of California, Davis.

Robin G. Schulze

Dean of the College of Arts and Sciences

Robin G. Schulze, PhD, joined the University at Buffalo in July 2016 as dean of the College of Arts and Sciences and professor in the Department of English. As leader of UB's largest and most diverse academic unit, she drives UB's

commitment to prepare students to be active, knowledgeable, engaged citizens in a dynamic global community.

Over the last eight years, Schulze has worked to keep the College strong. She has increased research expenditure in the College and has secured major investments to enhance the College's disciplinary excellence, including funds to support the College's first two female SUNY Empire Innovation Professors. While championing disciplinary excellence, she has also invested in programs that approach critical present problems from a variety of disciplinary vantage points. The College's new department of Environment and Sustainability is a testament to that approach. She is also Co-principal Investigator on UB's first-ever Mellon Foundation grant in support of the College's new Department of Indigenous Studies which honors the university's long-standing commitment to training generations of native scholars. An advocate for the value of experiential learning, she has raised funds to provide College students access to important career building, learn-by-doing opportunities.

Schulze began her career at the University of Kansas. She moved to Penn State, where she became Head of the Department of English. In 2012, she moved to the University of Delaware and became the Associate Dean for the Humanities, a position she held until her move to UB.

The Mace

Designed to tell the story of the university and the Niagara Frontier, the University at Buffalo mace was fashioned by silversmith Hudson Roysner of Arcadia, Calif. It was used for the first time in the 1962 general commencement.

The mace is silver with accents of lapis and howlite to represent the university's colors. It is topped by a miniature walled structure representing the city of Buffalo. Engraved atop the city are three arrows bound together, symbolizing the unity of UB and the city.

A band of alternating jewels of lapis and howlite encircles the head of the mace and bears the founding dates of the 13 divisions that composed the university in 1962.

The UB arms appear on the front of the head. On the back are the arms of the United States.

The discovery of Lake Erie in 1669 by Louis Joliet and early explorations by Robert de LaSalle are symbolized on the left side of the head. A crest on the right side symbolizes the university's role as a dynamic center of human growth and welfare.

The wild rose, the New York state flower, is depicted in a floral motif at the top and bottom of the mace's head. Encircling the ends of the shaft are three wavy lines representing intellect and water, the latter a reference to the Niagara River and Great Lakes.

The motto "University and City: Community" is lettered in Latin around the knob of the shaft.

Traditionally used in university ceremonies, the mace is a symbol of enlightened authority.

About the College of Arts and Sciences

For over a century, the College of Arts and Sciences has served as the center of scholarly excellence and radical innovation at the heart of the University at Buffalo. Comprising 30 departments in the arts, humanities, social sciences, natural sciences, and mathematics, as well as 16 special programs and 23 centers and institutes, the College is not only the largest campus unit, but the one most likely to directly impact every UB student at some point in their educational career. Our more than 530 dedicated faculty members, including 17 SUNY Distinguished Professors, prepare over 8,600 undergraduate and graduate students per year to become the critical thinkers and compassionate leaders so vital to our ever-evolving society.

Students in the College of Arts and Sciences also benefit from UB's status as a premier public research university, and the breadth of resources this status provides. Internship, research, study abroad, and service-learning opportunities pull students out of the classroom and into the real world of hands-on problem-solving. From advancements in targeted drug delivery and photonics; to complex understanding of climate challenges; to creative achievements in theatre, contemporary music, poetics, and the arts, our students contribute regularly to the industries that will eventually employ them, and from which they will dispatch crucial and compelling solutions.

"Liberal arts education is, in my view, the working definition of education," says Robin Schulze, Dean of the College. "The liberal arts grant students the skills to solve problems and the imagination and courage to make a better future. Our faculty are leaders in their fields. They challenge students to see complex issues from a variety of perspectives, and to think creatively and collaboratively about how to make a difference in the world. The College really is a perfect place for students to find their passions and their purpose. We can't do this work without the support of our alumni and friends—the people who understand that a liberal arts education is critical to our collective good. Our mission is to help our students become active, empathetic citizens of a diverse and dynamic global community."

This year's graduating class joins nearly 110,000 College alumni, a massive network composed of internationally-recognized researchers, scientists, and educators; pioneering business leaders; prominent writers and journalists; celebrated musicians and composers; and award-winning film directors, actors, artists, and designers. These extraordinary individuals represent a tremendous legacy, one strengthened by the accomplishments of each additional class of College graduates.

The College would like to thank the members of the Class of 2024 for their efforts over the past four years and wish them the best of luck in their continued pursuit of knowledge and invention. As they sit poised on the brink of future success, we hope they will remember their time in the College as a period of discovery and growth, stay actively connected to their alma mater, and help guide new generations of UB Bulls to build on their exemplary foundation.

SUNY Chancellor's Awards for Student Excellence

This award acknowledges students for outstanding achievements that have demonstrated the integration of SUNY excellence within many aspects of their lives in areas such as academics, leadership, campus involvement, community service or the arts.

Hussain is a first-generation college student, and both a University Honors College student and Ronald E. McNair Postbaccalaureate Achievement Scholar. She is a member of Phi Beta Kappa National Honor Society and a student ambassador for the College of Arts

and Sciences. Hussain is the recipient of the American Association of University Women Jacquie Walker Community Service Award and the U.S. Department of State Critical Language Scholarship. She also served on the organizing committee for the University at Buffalo undergraduate conference on South Asia and worked as a student coordinator for the UB Asia Research Institute. Hussain will go on to pursue a graduate degree to better prepare for work in her field.

Samiha Islam*Social Sciences Interdisciplinary and Statistics*

Samiha Islam of Rochester, N.Y., graduates with a Bachelor of Arts in health and human services and statistics. Islam is recognized as the University at Buffalo's second Harry S. Truman Scholar and first Public Policy and International Affairs Fellow. She has conducted workshops for thousands across Western New York on interfaith and multiracial coalition building, published research on non-carceral approaches to preventing hate crimes as a Center for the Study of the Presidency and Congress Fellow, and helped secure \$150,000 in grants for prison re-entry services. Samiha has also served as a diversity advocate, leading campus dialogues on privilege, politics and social justice.

Anoop Nilam*Biomedical Engineering and Mathematics*

Anoop Nilam of Williamsville, N.Y., graduates with a Bachelor of Science in biomedical engineering and a Bachelor of Arts in mathematics. Anoop is a Pride of New York Scholar in the University Honors College. He has conducted nanomedicine research at UB, including leading a project to develop a malaria vaccine. He has served in several leadership roles including president of UB's Association of Pre-Medical Students, treasurer of UB's Tau Beta Pi engineering honors society, and was selected to Compeer Buffalo's volunteer advisory board committee to lead mental health support recruitment. He has also served as a teaching assistant for introductory and upper-level biology courses.

College of Arts and Sciences Outstanding Senior Awards

This award honors one graduating senior from each of our departments who has demonstrated exceptional diligence and promise during their time at the University at Buffalo. These students' efforts have distinguished them among their peers and set an inspiring example of academic and personal achievement. In recognition of their accomplishments, each student receives a certificate and an engraved award.

Isaiah Kwame Wright

Africana and American Studies

Isaiah Wright of North Plainfield, N.J., graduates with a Bachelor of Arts in African-American studies. Wright is a member of the UB football team and a student ambassador for the College of Arts and Sciences. In the fall, he will pursue a master's degree in public health at the University at Buffalo.

Matthew Matsulavage

Anthropology

Matthew Matsulavage of Newfane, N.Y., graduates with a Bachelor of Arts in anthropology. Matsulavage is the president of the Anthropology Club and a student ambassador for the College of Arts and Sciences. He completed an independent study working with Assistant Professor Edith Gonzalez on her Codrington Papers project and also worked as an intern for the UB Primate Skeletal Collection. In the fall, Matsulavage intends to pursue a doctoral degree in archaeology.

Nehal Vyas

Art

Nehal Vyas of Rochester, N.Y., graduates magna cum laude with a Bachelor of Arts in art history. Vyas is a member of the University Honors College and has worked at the Center for Excellence in Writing since her freshman year. She also interned with Anna Wager, Curator of Exhibitions, at UB Galleries. In the fall, she plans to work locally to expand her practical knowledge before pursuing a master's degree in archival studies.

Jenny Nguyen

Asian Studies

Jenny Nguyen of Brooklyn, N.Y., graduates magna cum laude with a Bachelor of Arts in Asian studies. Nguyen is a University Honors College scholar and a recipient of the Asian Studies Program Study Abroad award, Pride of New York Scholarship, Ellicott Club Scholarship, George K. Fraley Scholarship and the Segal AmeriCorps Education Award. She served on the Rustgi South Asia Undergraduate Conference Committee, as an American delegate for the 16th Korea-America Student conference and as managing director of the UB Student Gaming Association. She worked at the Oscar A. Silverman Library as a student assistant and at Center for Family Life as an AmeriCorps member. In the fall, Nguyen will pursue a master's degree in social work at Hunter College.

Aniket Maini
Biological Sciences

Aniket Maini of Syracuse, N.Y., graduates summa cum laude with a Bachelor of Science in biological sciences and a minor in Spanish. Maini has served as the president of the University at Buffalo Badminton Club and the Association of Pre-Medical Students, and as an ambassador for the College of Arts and Sciences. A member of the University Honors College, Maini has served as a teaching assistant for biology courses six times under

Professors Jessica Poulin and Nitasha Sehgal. He has also completed research under Assistant Professor David Heppner in the Department of Chemistry, receiving the Raszl Endowment Fellowship from the Department of Biological Sciences along the way. In the fall, Maini will pursue a medical degree at the University of Massachusetts T.H. Chan School of Medicine.

Matthew Alexander Salonich
Classics

Matthew Salonich of White Plains, N.Y., graduates summa cum laude with a Bachelor of Arts in classics and a minor in anthropology. Of mixed Peruvian heritage, he is the first within his immediate family to receive a bachelor's degree in the United States. He worked with Associate Professor Alessandro Sebastiani on an independent research paper on the Roman port of Cosa and its role within the broader context of Roman

Republican and Imperial history. In the fall, Salonich will pursue a master's degree at Texas Tech University in classical archaeology where he received full funding.

Spencer Ang

College of Arts and Sciences

Subject to the completion of all degree requirements, degrees will be conferred as indicated upon those individuals listed herein who were identified by April 4, 2024, and upon such others as may meet the requirements of their respective degrees. This listing includes all candidates for August 2023, February 2024 and June 2024 degree conferral as well as candidates for August 2024 who applied for conferral and registered to attend the ceremony prior to April 4, 2024.

In the following lists, candidates for a joint major (a major that combines subjects from two departments), or a double major (a degree encompassing two majors), are denoted by an asterisk (). Candidates for a double degree (the award of two distinct degrees completed concurrently), or a combined degree (the award of an undergraduate and graduate degree completed concurrently), are denoted by two asterisks (**). Candidates for a triple major (a degree encompassing three majors), are denoted by three asterisks (***). Candidates for a double major or joint major and a double degree or combined degree are denoted by a diamond (◊).*

Latin Honors

Subject to completion of all degree requirements and satisfaction of the following minimum criteria, Latin honors may be conferred as indicated upon the individuals listed herein and upon such others as may meet the requirements. To qualify for Latin honors, students must present a minimum of 60 credit hours of UB undergraduate coursework, at least 54 of which must be graded credits (i.e., not satisfactory or unsatisfactory [grades of 'S' or 'U']). The UB GPA must be a minimum of 3.2 (to 3.499) for cum laude, 3.5 (to 3.749) for magna cum laude and 3.75 (to 4.0) for summa cum laude.

To receive the Latin honors designation in the printed 2024 commencement programs, candidates for the June or August 2024 degree conferral date must qualify based upon their UB cumulative GPA through the Winter 2024 session and total number of UB credit hours projected through their final semester at the time of review. Standings for Latin honors may change once final grades are posted or degrees conferred.

Phi Beta Kappa

Phi Beta Kappa is a national honor society that recognizes superior academic achievement in undergraduate work in the liberal arts and sciences.

Letter from the Dean of the College of Arts and Sciences

Dear Members of the Class of 2024,

It is with great pleasure that I congratulate you on your graduation from the University at Buffalo College of Arts and Sciences. What you have achieved today, and over the past several years, is truly admirable.

Thank you for your efforts in the classroom, the lab, the performance hall, the studio, the athletic field, and within the UB and greater Buffalo communities. You have become an integral part of our narrative. We will miss you.

As you transition into the next phase of your life, I want you to remember two things. First, your achievement does not end here. You are ready for whatever comes next. You have the knowledge and skills to succeed and the ability to define success on your own terms. Second, there are more than 110,000 College alumni worldwide, ready and eager to welcome you to their ranks. No matter where you go, you will find friends to support you.

Today, I hope you celebrate this moment to its fullest with the people who have supported and encouraged you throughout your education. Tomorrow, I know you will use what you have learned here to make the most of every opportunity.

Good luck and enjoy the adventure.

Robin G. Schulze

Dean of the College of Arts and Sciences

Letter from the UB Alumni Association President

Dear Member of the Class of 2024,

Congratulations! On behalf of the UB Alumni Association, I'm delighted to welcome you to your global network of more than 300,000 alumni. We're proud of all you have accomplished.

As you begin your next chapter, please stay in touch! Your alumni status opens up so many opportunities to stay connected to your alma mater and to fellow alumni.

What does this mean for you in practical terms? It means that career help, through our virtual Connect-a-Bull platform, volunteer opportunities to recruit new students or help current students, and engaging educational and social events are all yours for the taking. To learn more about what's available with your new alumni status, visit buffalo.edu/alumni.

If you have questions about how to stay involved, contact the Office of Alumni Engagement at ub-alumni@buffalo.edu.

Remember, this isn't goodbye—it's WELCOME to the UB alumni family. We know you'll always be True Blue and proudly keep your Horns Up, wherever you go and whatever you do.

Go Bulls!

Joseph Stefko, PhD '03, MA '99, BA '97
President, UB Alumni Association Board of Directors

P.S. Keep your @buffalo email for life simply by logging in through a browser every 90 days.

UB Alma Mater

*Music by Walter S. Goodale, MD, 1903.
Lyrics adapted by UB students in 2006 for
contemporary use.*

Verse 1:

The pride of our spirit and tradition,
Our alma mater's truth and name declare.
Celebrate our history and wisdom,
O let us all prepare to sing her glory.

Refrain:

To Buffalo all hail to thee,
Noble and strong it's our university!
To blue and white pledge loyalty,
Singing, I will always remember thee!

Verse 2:

We'll ever keep our standards high,
And sing UB's praises to the sky.
Receiving the finest education,
Our knowledge we impart unto the nations.
(Repeat refrain)

Verse 3:

Our friends we've made with ties that bind,
A union of our spirit, heart and mind.
Together we'll continue life's journey,
O may dear Buffalo forever be.
(Repeat refrain)

Visitor Information

Photographic Services

A photographer from GradImages will be at the ceremony to take a posed photograph of each graduate, as well as a candid photograph of their special moment of recognition and handshake. Graduates will receive free proofs via email in the weeks following the ceremony. You may place orders or obtain answers to questions at www.gradimages.com or 800-261-2576. Since professional photographs will be available, family members and guests are encouraged to remain in their seats, relax and enjoy the ceremony.

Online Viewing of the Ceremony

This ceremony will be live-streamed. The ceremony will also be available for post-ceremony online viewing, shortly following commencement weekend. Visit buffalo.edu/commencement and click on the “Streaming & Videos” tab for information.

Celebrate the #UBClassOf2024

Graduates and their guests can share photos, memories and well-wishes by texting 716-576-3950 or using the hashtag #UBClassOf2024 on Instagram and X/Twitter for the chance to see them displayed on screen before the ceremony and during the conferral of degrees.

Accessible Seating

A section for guests with wheelchairs is available on the floor-level. A section for guests who have requested accommodations, who do not arrive with a wheelchair, is available at the top of the 200-level. Special accommodations are also available for the deaf and hard of hearing.

To access any of these seating areas, please speak with an usher. Due to limited space, guests with special needs may be joined by just one ticketed guest in these special seating areas.

Emergency Assistance

First Aid – Main Floor, Room 121 (“Bullpen”)

University Police personnel and ambulances are on call to assist campus guests during the weekend. For emergency medical needs, please alert an usher. On-site emergency medical technicians will attend to you immediately.

University Police

716-645-2222

Lost and Found

University Police administers a lost-and-found service in Bissell Hall, south of the arena. An attendant is on duty at the switchboard 24 hours daily. Inquiries should be directed to University Police, University at Buffalo, Bissell Hall, Buffalo, NY 14260, (716) 645-2227.

Restrooms

There are restrooms on all arena levels. First-floor restrooms are inside the main lobby; second-level facilities serve all upper seating.

University Bookstore

The University Bookstore at 200 Lee Entrance on the North Campus will remain open today until 5:00 p.m. The bookstore will reopen Monday with its regular hours, 10 a.m. – 5 p.m.

Alumni Arena No Re-entry Policy

Due to the anticipated full capacity in Alumni Arena and the necessary safety and security provisions that need to be in place as a consequence, commencement guests will not be able to regain entry to the Arena using a ticket stub once they leave the premises.

UBreathe Free

UB is committed to providing a healthy environment for our campus community. Smoking and vaping are prohibited throughout the university, indoors and outdoors. Your support is greatly appreciated

ON THE COVER:

The modern seal for the University at Buffalo harks back to a design adopted in 1923 to reflect the evolution of the university from separate schools into a more close-knit organization. Though the seal has been revised several times over the decades, the foundational elements remain: a proud bison signifying the City of Buffalo atop a shield supported by the palm leaves of victory and emblazoned with the flames of wisdom.
