EFFECTIVE TEACHING WORKSHOP SERIES

Feedback and Evaluation: Fostering Learner Development and Self-Regulated Learning

Learning Objectives:

- Summarize approaches for providing effective feedback to use when working with learners in a variety of settings.
- Evaluate a sample written comment using research-based characteristics as a framework for analysis.
- Practice applying coaching strategies for working with challenging learners.
- Develop a personal plan for providing feedback.

Workshops are self-contained modules and are free of charge to everyone in the Buffalo Translational Consortium. Those who attend all workshops will receive a CTSI Certificate of Completion. Learners can also earn a digital badge upon completion of all workshops and weekly assignments if desired. Digital badges allow learners to showcase their enhanced knowledge of Effective Teaching within digital resumes, e-Portfolios or LinkedIn accounts.
