To mark the centennial of the 19th Amendment’s ratification and to celebrate Women’s History Month, the Gender Institute is hosting a symposium on the historical lessons of the women’s suffrage movement and its legacy today, including recognition of trailblazing women of color who are often forgotten in suffrage movement history.

Legacies of Suffrage will include national and local historians, politicians, and activists in exciting panels that explore the history of suffrage and the possibilities for women’s civic engagement in the future.

Screening of Knock Down the House (2019)

Thursday, March 5, 2020 | 7pm
Burchfield Penney Art Center, Buffalo State College

At a moment of historic volatility in American politics, four women decide to fight back, setting themselves on a journey that will change their lives and their country forever. Without political experience or corporate money, they build a movement of insurgent candidates challenging powerful incumbents in Congress. Their efforts result in a legendary upset. One of the four featured is Alexandria Ocasio-Cortez who successfully ran for Congress (NY-14) in 2018.

After the screening, there will be a discussion with Juanita Perez Williams who ran for mayor of Syracuse last year. Karen King, Erie County Commissioner of Public Advocacy, will moderate.

Presented in collaboration with Ruth Goldman, Buffalo State College.
