FINAL SEMESTER REDUCED COURSE LOAD REQUEST

Student’s Name: _____________________________________________

UB Person Number: __________

Major: _____________________________________________________

Degree Program Level: ______________________________________

TO ACADEMIC ADVISOR:

U.S. immigration regulations allow F-1 / J-1 international students to reduce their course load below full-time (ie. at least one credit, but fewer than 12 credits) if the student is in the final semester of his/her degree program and needs fewer than 12 credits to graduate. A Final Semester Reduced Course Load can be used only one time per degree level. To ensure that the student’s request does not impact his/her immigration status in unexpected and unwanted ways, we ask you to confirm that the student will be eligible to graduate at the end of the semester in which they are requesting this Reduced Course Load.

The above-named student has requested a Final Semester Reduced Course Load for the __________ (FALL / SPRING / WINTER / SUMMER) semester/term, __________ (YEAR).

How many credits does this student need to complete his/her degree program? ________________

How many credits will this student take in his/her final semester? ________________

I certify that the abovementioned student will be eligible to graduate at the end of the semester in which they are requesting this Reduced Course Load.

TO THE STUDENT:

Immigration regulations allow you to reduce your course load below full-time during your final semester. Your application for a Final Semester Reduced Course Load must be approved by ISS before the end of the Add/Drop period OR before you drop/resign below full-time (if the add/drop period has already ended).

It is your responsibility to submit this form to ISS before these deadlines. If you do not receive approval from ISS and you drop/resign below full-time, you will violate your immigration status.

You must enroll in at least one credit at UB during your final semester and you MAY NOT take ONLY distance education courses during your final semester.

Important: The Program End Date on your I-20 / DS-2019 will be shortened (if necessary) to reflect the fact that you will graduate at the end of the current semester.

By signing below, you confirm that you understand all of the information contained in this document as well as the Final Semester Reduced Course Load information on the ISS website.
