(you may use a separate piece of paper if more room is required):**

**Questions:**

1. Currently the Ambassadors' primary responsibility is to build relationships with our applicants that help them to know more about and ultimately (we hope) choose to enroll at UB. They primarily do this by making personal contact with applicants through phone, email and social media. What specific ideas do you have for keeping the Ambassador program innovative in concept and current in modes of communication? Specifically write about ways to contact students around the world and what type of outreach will encourage students to enroll at UB.

2. If you work (or will work) elsewhere on campus, state where, your dates of employment, and how many hours per week you will work there?

**Short Essay:**

Why would you like to be an International Admissions Ambassador? What qualities make you a strong candidate? You may include examples from previous work or volunteer experience and/or extracurricular club/organization activities. Limit to 250-300 words and attach to application.

**YOU MAY ATTACH YOUR RESUME TO THE APPLICATION (not required)**
