2020-21 INTERNATIONAL APPLICANT FINANCIAL FORM – UNDERGRADUATE

International applicants must **affirm** that they are responsible for paying all tuition, fees and living expenses for the entire period of intended study by completing the form on the next page. Applicants must **document** the full cost of **only the first year of study** before the university can issue a Certificate of Visa Eligibility (Form I-20 or DS-2019).

**Instructions:**
- **Part I** Answer questions 1–7 completely.
- **Part II** Indicate the sources of your funding and the amount available from each source; have your sponsors verify their sponsorship by signing the form. Submit the required documentation as indicated below to show that you and your sponsors have available liquid assets equal to or greater than at least one year's cost.

**Estimated Budget for International Undergraduate Students**

| **TUITION** | $24,740 |
| **FEES** (including health insurance) | $5,534 |
| **ROOM AND BOARD** | $15,363 |
| **ESTIMATED TOTAL** (per year of study) | **$45,637** |

1Tuition indicated above is the 2019-20 tuition rate for the academic year only (September–May). Tuition and fees are subject to change. Tuition can increase annually (but doesn’t always). The above tuition is for Fall and Spring semesters and is based on the “flat tuition” model where the cost is the same for 12 or more credits (it is not per credit). Summer and Winter session tuition and fees are not included above; Summer and Winter tuition is charged per credit (if the student chooses to study in summer or winter); undergraduate tuition and fees are approximately $1,190 per credit hour.

2Health insurance is listed for a full calendar year.

3Minimum allowance for the least expensive on-campus housing and food costs for the Fall and Spring semesters (one academic year); Summer and Winter sessions and school breaks are not included (if the student were to live on campus in those periods). Students choosing to live off campus must document the same amount even though actual costs may be higher or lower. The university estimates that students will need an additional $1,500 for books and supplies, and $1,500 for personal expenses and incidental costs.

*The above figures are estimated costs and are subject to change without notice. Total costs typically increase 5% per annum.*

**Dependent Support**

An F-1 student wishing to have his or her spouse and/or children accompany him or her must document the following amounts for each family member per academic year of intended study. A marriage certificate (in the original language along with an official English translation) must be provided for the dependent spouse. Birth certificates (in the original language along with an official English translation) must be provided for the dependent children.

For spouse: $8,000 per academic year
For each child: $6,000 per academic year
