Externally Funded	College of Arts and Sciences	621		621
	Graduate School of Education	49	70	119
	School of Management	161	351	512
	Undergraduate Education	645		645
Undetermined	Undetermined	96	13	109
Grand Total		19,200	9,660	28,860

Notes: Table SUNY_IR_PS_UB_IR_STUDENT_MV census population. Unit attribution based on 1st HUB plan as it is listed on the Official Census file. Undergraduate intended majors are attributed to VPUE and VPGE. Matriculated undecided majors are assigned to "Undergraduate Education". Non-matriculated Undergraduate Non Degree students are attributed to "Provost Enrollment". UUP students are assigned to "Other Independent Entities". Provisional Graduate students are assigned to "Graduate Education". MFC plans are attributed to "Educational Collaboration and Engagement". "Undetermined" unit assignments result from non-standard coding generated by new student and SUNYIR systems at respective go-lives. Regular Enrollment: enrollments that will exist within the framework of the negotiated enrollment plan between UB and SUNY and funded by State tax appropriation and income prescribed from a tuition price specified in State education Law that is charged to and collected from UB students under the auspices of the university's enrollment plan. These enrollments generate state tax funding. Externally Funded Enrollment: enrollments generated as the result of special contractual arrangements (contract course or sponsored program contract, e.g., Singapore) between the university and a third-party entity to deliver educational services to targeted and defined populations envisioned to be benefited by that contract. The policies governing the university entering into these contracts allow the university to charge a tuition rate that covers all costs (direct and indirect) of delivering these educational programs. Therefore, there is no expectation that these enrollments will generate State tax funding. These enrollments exist outside of the framework of the negotiated enrollment plan between UB and SUNY and funded by State tax appropriation and income from a prescribed tuition price specified in State Education Law that is charged to and collected from UB students under the auspices of the university's enrollment plan. If you have any questions, please contact Michele Sedor at 645-3571.
