#### 3. Report of the Chair

- Senators should ask their alternates to attend if they can't make it to meetings
- Although Senators and alternates are encouraged to attend Executive Senate meetings, they should also be aware that if the Executive Senate goes into Executive Session only executive senators can attend and vote on matters discussed during this session.
- Ann Marie reported that we are trying to utilize technology more. Some initiatives include using Microsoft Outlook to invite senators and executive senators to meetings and using card swipes to take attendance at meetings. We are also trying to use Microsoft Lync for web conferencing to bring the campuses or groups together electronically. The first effort will be at the diversity brownbag luncheon.
- PSS is in need chairpersons for Elections, Mentoring, UBBuddy committees. If anyone is interested, please contact Ann Marie or Anna in the Senate office.

- Committee meeting minutes are no longer being put on the website anymore as there is too much work going on for the Web Site Committee to keep up. We will continue to put committee updates in General Membership and Executive Membership meeting minutes under the Vice Chair report.
- Matt Deck, who is currently serving on the materials subcommittee for environmental stewardship committee at UB is looking for a PSS representative to serve on this committee. If there is anyone interested in serving on this subcommittee, please contact Ann Marie Landel or Anna in the Senate office.
- EAP sent annual report and will be put up on the website.
- Ann Marie is working with a shared governance group that consists of the UUP & CSEA Presidents, Empire State College representative, University Police, UUP Health Sciences representative, Graduate Student Association President, the Faculty Senate Chair and the PSS Chair. The committee meets to have open communications among the campus governance leaders and determine what issues they have in common and how they can overcome these issues. Issues discussed this month included the newness of the UUP Buffalo Chapter President and UUP President communications. UUP Buffalo Chapter President is trying to refresh the thoughts of the UUP union and build trust amongst the membership.
- Ann Marie asked Kathleen Kielar to report on the SUNY Undergraduate Committee and SUNY Plenary report. Kathleen stated that most of the work received at the Plenary was the work that was completed in the committees. She is now serving on the Undergraduate committee which has a long agenda this academic year which includes such topics as Open SUNY, Seamless Transfer, a new initiative by the governor called SUNY Educator Preparation Program and a host of others. As there were so many agenda items, the committee was forced to prioritize the items. Initially, the committee is tackling two items that include the SUNY Educator Preparation Program and Open SUNY. At the end of October Kathleen will be attending the Fall Plenary at SUNY Maritime.
- Ann Marie reported that there were over 800 people who attended the sustainability event. There were also 40 plus vendors attending the event. The sustainability committee is looking for more volunteers to serve on their committee. This committee supports the office of sustainability.

They are Have You Met and Career Paths. If the exec committee has suggestions for recognition of employees, please let Ann Marie know.
- Organizational changes are causing us to look at the entity structure of the university which will determine the departments/units that fall within specific PSS Areas. This will determine senator area representation.
- The Policy and Governance committee is reviewing all committees and if we have proper representative serving on university and faculty senate committees. The Policy and Governance committee is also working with the University Administration Professional Development Policy initiative.
