

# Getting Involved in PSS: Professional Development Opportunities

Moderated by David J. Love

---

# By Participating in the PSS you can:

- Advise on policies that will direct and guide the university
- Provide rewarding service to the University
- Meet and learn from colleagues in other units and departments

The background of the slide is white with a complex pattern of blue lines. These lines include solid straight lines, dashed straight lines, and dashed curved lines. Many of these lines have small arrowheads pointing in various directions, creating a sense of movement and connectivity. The lines are scattered across the entire slide, with a higher density in the upper right and lower right areas.

# PSS Committees

**17 Committees to become  
involved in your community**

## Committees

Awards  
Continuous Improvement  
Inclusion and Diversity  
Mentoring  
Policy & Governance
