Dear Dr. Tramosch:

I am pleased to inform you that The Office of Laboratory Animal Welfare (OLAW) reviewed and approved the Animal Welfare Assurance (Assurance) that was submitted by your Institution in compliance with the Public Health Service (PHS) Policy on Humane Care and Use of Laboratory Animals (Policy) revised 2015.

Your Institution's Assurance, number **D16-00231 (A3354-01)**, became effective on **October 20, 2016** and expires on **October 31, 2020**. Please include the Assurance number in all correspondence to OLAW. This Assurance supersedes all previously issued Assurances. A copy of the Assurance signature page is enclosed.

The Assurance is a key document in defining the relationship of your Institution to the PHS. It sets forth the responsibilities and procedures of your Institution regarding the care and use of laboratory animals. Among the important elements of the Assurance, I would especially call your attention to the reporting requirements that are essential for continued compliance with the PHS Policy. Please note that a Report to OLAW is required at least once every 12 months. The reporting period, unless requested otherwise in writing, is the calendar year. Reports, for the previous calendar year, are due **January 31**.

A copy of the Assurance signature page is enclosed. If we may be of further assistance, please do not hesitate to contact me or Dr. Parlett.

Thank you for your attention in these matters.

Sincerely,

10/24/2016

X Eileen M. Morgan
