Lisa Martin, D.V.M.  
Director, Comparative Medicine  
and Laboratory Animal Facilities  
State University of New York at Buffalo  
3435 Main Street  
Biomedical Education Building, Room 116  
Buffalo, NY 14214-3013

Dear Dr. Martin:

AAALAC International is pleased to convey that the State University of New York at Buffalo, Buffalo, New York is accredited. Our records show that the State University of New York at Buffalo initially achieved AAALAC International accreditation on August 3, 1966.

This interest, contribution and participation in the AAALAC International accreditation program is valued and appreciated. As you are aware, AAALAC International conducts site visits to institutions and requires being apprised of significant programmatic changes during the interim between these site visits. Should you desire additional information or wish to comment on any aspect of the accreditation process, please contact our office.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Bayne".

Kathryn A. Bayne, M.S., Ph.D., D.V.M.  
Executive Director
