

Meningitis Information Response Form for Parents/Guardians of Minors

In accordance with New York State Public Health Law, all University at Buffalo students must fulfill the requirement to complete the Meningitis Information Response Form. Students who are minors must have a parent/guardian complete the form on their behalf.

Circle one of the two statements and sign below.

1. The student has had the meningococcal meningitis immunization within the past 5 years (if the student has received the vaccine, it is required to provide the date received).

Date received (MM/DD/YYYY): _____

2. I have read, or have had explained to me, the information regarding meningococcal meningitis disease. I understand the risks of not receiving the vaccine. I have decided that the student will **not** obtain immunization against meningococcal meningitis disease.

Signed _____
Parent / Guardian (if student is a minor)

Date _____

Student's name _____

Student's _____
Date of Birth

UB Person# _____

Phone # _____

The consent section below does not impact your student's ability to register. However, your signature on this section allows Health Services to provide medical care to your minor student.

Consent of Parent or Guardian for Treatment of Those Under 18 Years of Age

To be completed if the student is under 18 years of age at the time of arrival on campus even if student will turn 18 during the academic year.

Signature of Parent/Guardian indicates that UB Health Services has permission to treat the student. This includes care & treatment by medical providers at any outside health care facility if deemed necessary by UB Health Services.

Parent/Guardian _____ Date _____
