Points of Pride Within

Advanced Honors Program

The Honors College at UB is a perfect match for intellectually curious students who will thrive in a small honors community within the rich, creative environment of a large public research university.

Admission to the Advanced Honors Program

Each semester, the UB Honors College accepts highly qualified, current university students into the Advanced Honors Program. This program is open to students with a minimum GPA of 3.5 and at least 45 hours of academic credit.

Applications can be found at http://honors.buffalo.edu/advanced and are due by Oct. 1 and March 1 of each year.

Advanced Honors Program Requirements

›› Maintenance of 3.5 UB GPA through graduation
›› Completion of HON 299: Advanced Honors Colloquium
