University Honors College

The Honors College at UB is a perfect match for intellectually curious students who will thrive in a small honors community within the rich creative environment of a large public research university.

ADMISSION TO THE HONORS COLLEGE

Successful applicants typically represent the top 10% of incoming freshmen. Students who are intellectually curious, demonstrate a commitment to civic engagement, have shown resilience in the face of adversity and who take ownership of their education are excellent matches. Interested students must apply for admission to UB and complete the Honors College’s online interest form. Honors College forms submitted by the Jan. 5 deadline will be given first preference and those received after that date will be considered on a rolling basis, if space permits. More information and the application can be found at http://honors.buffalo.edu/prospective/howtoapply.php.

Scholarships

Applicants presenting satisfactory credentials will be considered for a merit-based scholarship. Students should apply to UB by Dec. 1; the completed application should be on file in the Office of Admissions by Dec. 15. Standardized test scores must be sent electronically to UB directly from the testing agency.

PRESIDENTIAL SCHOLARSHIP

UB’s top entering freshmen may be awarded a Presidential Scholarship. This competitive and prestigious award is the most valuable scholarship offered within the SUNY system. It is renewable for four years of undergraduate study. Applicants typically present a minimum unweighted high school average of at least 95 and a combined SAT critical reading and math score of at least 1470 or an ACT score of at least 33. A separate application and interview is required.

PROVOST SCHOLARSHIP

Each year consideration is given to high achieving freshmen for Provost Scholarships. Selection for the Provost Scholarship is based on academic achievement and cost of attendance. No additional application is needed.

MILLONZI DISTINGUISHED HONORS SCHOLARSHIP

One four-year scholarship covering full tuition is available to an undergraduate Honors student in the performing and creative arts. To be considered, students must have an unweighted high school average of at least 90 and a combined SAT critical reading math score of at least 1230 or an ACT score of at least 27. A separate scholarship application and interview are required.
