“Is American Healthcare SICK?”

Dr. Andy Coates
President

Physicians for a National Health Program

What would quality healthcare for everyone in the United States look like? Why is the richest country in the world spending twice as much on healthcare as any other country with outcomes that rank 37th in world?

These local experts will also weigh in:

Katie Grimm, MD, Co-Chair, CHW Network of Buffalo
Sam Magavern, JD, Co-Director, Partnership for the Public Good
Deirdre Wright, CHW, Jericho Road Community Health Center

This event is free, but RSVP to Jocelyn at info@chwbuffalo.org
