May be met through UB Curriculum, major, minor or elective coursework
The UB Curriculum is a unique program of general education for all undergraduate students at UB. Serving as the core academic experience, it celebrates the joy of intellectual discovery and prepares students for life, career and citizenship in a diverse and dynamic world.

Upon completion of the UB Curriculum students will:

1. Attain and apply knowledge in written, oral and visual communication; mathematics and quantitative reasoning; and natural sciences.
2. Acquire, apply, analyze, evaluate and integrate knowledge from a wide range of disciplines.
3. Attain and apply critical thinking skills to define and solve problems.
4. Demonstrate an understanding of human and cultural diversity within local and global contexts.
5. Acquire the knowledge, skills, technologies, ethical judgment and personal responsibility for effective citizenship, professional leadership, and lifelong learning.
