

Getting Started with Information Technology at UB:

Before You Arrive

Follow the steps below and you'll be prepared at UB!

1. Activate Your UBITName

Activate your unique account name that you'll use to get connected to life at UB.

buffalo.edu/ubit/service-guides/getting-started-at-ub/before-you-arrive/activate-your-ubitname.html

2. Explore UB from Home

Feel at home with the UB family before even coming to campus. UB has several Web and mobile presences—such as [MyUB](#) and [UBlearns](#)—that will make adjusting to university life a breeze.

4. Bring Technology to Campus

Find out what devices and accessories we recommend for life at UB.

buffalo.edu/ubit/service-guides/getting-started-at-ub/before-you-arrive/technology-to-bring.html

5. Get Free Software

Don't buy it twice! Take advantage of UB-provided software.
