"University Life and Services at UB provides leadership to make the campus experience the best it can be for students, faculty, staff and our community. Your ongoing financial support in the form of annual giving, scholarships, capital projects and corporate partnerships ensure that our 20+ operational units continue to effectively serve the needs of nearly 30,000 students and a daily campus population of more than 40,000. University Life and Services leads the way in student development, essential campus services and sustainability supporting the UB mission of positively impacting our communities and the world."

Dennis R. Black,
Vice President for University Life and Services
“We believe that Student Affairs is where the student experience takes shape. Our staff is focused on making the college experience an environment where the student grows both intellectually and socially. That’s why your investment in programs like the STUDENTS FIRST FUND is so important. Providing emergency assistance to UB students in need is just one of the many programs supported by your financial gifts. The end result of your support is an enhanced student experience and vibrant campus for all to benefit from.”

Barbara J. Ricotta,  
Associate Vice President for Student Affairs
