A PARTNERSHIP THAT BENEFITS YOUR BUSINESS

The University at Buffalo’s New York State Center of Excellence in Bioinformatics & Life Sciences (CBLS) is proud to be part of UB. Our combined resources are invaluable for business leaders and entrepreneurs who are helping to build the innovation economy of Buffalo Niagara and New York State.

R&D AND TECHNOLOGY-BASED ECONOMIC DEVELOPMENT

The CBLS team of business development experts connects the business community with countless opportunities available at UB, including:

- Faculty research expertise
- Business consulting, assistance and promotion
- License, technology transfer and commercialization expertise
- Recruitment of employees and interns
- Workforce training
- UB facilities and equipment rentals

Our resources include tax-free space, innovative grant programs, and cost-sharing for product development and process improvement projects.

In recognition of Buffalo’s potential, Governor Andrew M. Cuomo made a historic pledge of $1 billion in New York State funds to create the Buffalo Billion Investment Development Plan. By focusing on high-growth areas and key economic enablers such as innovation, entrepreneurship, human capital and revitalization, the Buffalo Billion will allow UB and others to build on past successes, as we continue to work purposefully and methodically to transform our region.
GROW YOUR IDEAS

In addition, the CBLS and its partners provide numerous opportunities to help you accelerate your business plan. No matter what stage you are in as an entrepreneur, we can connect you with the resources to help you achieve your vision, including:

- 43NORTH
- LAUNCH NY
- WESTERN NEW YORK VENTURE ASSOCIATION
- BUFFALO ANGELS
- UPSTATE VENTURE ASSOCIATION OF NEW YORK
- INSYTE CONSULTING
- SMALL BUSINESS DEVELOPMENT CENTER
- SCORE

Whether you want to create new breakthroughs in science and medicine, improve the quality of life in Buffalo Niagara, or help create jobs, we are eager to work with you.

OUR PARTNERS

Our community of research and academic partners offers world-class resources and capabilities, accessible right at your fingertips. Collaborate with our team, and connect with these powerhouse entities:

- UB’s Office of Economic Development (OED)
- UB’s Center for Computational Research (CCR)
- UB’s New York State Center of Excellence in Materials Informatics (CMI)
- UB’s Office of Science, Technology Transfer and Economic Outreach (STOR)
- UB’s Center for Entrepreneurial Leadership (CEL)
- UB’s Center for Industrial Effectiveness (TCIE)
- UB’s Educational Opportunity Center (EOC)
- UB’s Regional Institute (UBRI)
- The New York State Center for Engineering Design and Industrial Innovation (NYSCEDII)

At the CBLS, we connect researchers, businesses and other key players in the growing life sciences industry. These connections help companies attract the funding they need to thrive, scientists gain access to world-class facilities, workers get hired for newly created jobs, and investors realize business opportunities.
