

INNOVATION LECTURE SERIES

University at Buffalo

New York State Center of Excellence
in Bioinformatics and Life Sciences

INTRODUCTION

Brian McIlroy

Executive Director,
Buffalo Institute for Genomics and
Data Analytics (BIG)

Critical Path September 22, 2016 – January 2017

- A VilCap Communities Life Sciences Accelerator Program
- 12 companies will participate in 10-day program designed to assist scalable life sciences startups
- Participating companies will use a peer selection process to provide each other feedback on their businesses and choose two companies to receive a \$50K investment from the Launch NY Seed Fund
- To learn more about Critical Path, visit buffalo.edu/cbls

MEDTECH 2016 – September 26-28, 2016

- Join the largest gathering of executives and senior leaders from New York State's bioscience and medical technology (Bio/Med) industry
- Discover first-hand how to effectively innovate and what the upcoming election means to the Bio/Med industry though
 - thought-provoking keynotes from industry leaders and political analysts;
 - interactive panel discussions, including an exclusive Collaboration and Growth track;
 - and opportunities for networking and partnerships featuring a Tech Showcase.
- Register today at medtech.org/events/medtech2016
