Dear UB Student,

It’s only February, but we’re thinking “summer.” And so should you! Take a look at UB’s summer sessions to see which courses will advance your academic strategy. Registration for UBThisSummer begins on March 6, so check out the schedule and get ready to join us. Enrolling in summer and winter session courses is one of the best ways to stay on track or even fast-track your graduation—saving you time and money.

Over 2,000 courses are already listed, and we will be adding more throughout the spring semester. Choose from on-campus and online options. If study outside of the country interests you, explore UB’s Study Abroad programs, but act quickly, as the registration deadline is in mid-March.

Meet with your advisor now to discuss your plans and consider how you can spend your summer here—or anywhere in the world you choose to be!

Sincerely,

Graham L. Hammill
Vice Provost for Graduate Education
Dean of the Graduate School
