Project Funding Form

Experiential Learning Network

This form should be used by individuals and groups who are working on a project from ELN’s Project Portal. If you are submitting this form as a group, note that some fields require you to submit information for ALL group members.

PLEASE NOTE: In addition, all students must have completed the Preparation Phase of an ELN Digital Badge to be eligible for funding and prior to submitting the form.

Project Description

In terms comprehensible to a non-specialist in your field, please clearly explain your methods, outlining what you will be doing over the course of the project and how.

Address each prompt below when writing your project description:

- What need or challenge will your project address?
- What product or output will result from your project?
- What are the broader impacts of this project (i.e. relationship to larger issues in the world, outcomes being useful in other contexts, etc.?)
- If you are working in a group, what specific tasks will each person be responsible for?

Project Description *

What are the broader impacts of this project (i.e. relationship to larger issues in the world, project outcomes adding value in broader contexts, etc.)? *
Please describe how you will implement your project in the new context of distance learning at UB (i.e. data collection, interaction with people, where materials will be sent, etc.). *

IRB/Animal Subjects Protocol Number (if applicable):

All students and faculty involved in human research at UB must complete initial training in human research subject protection. No research involving human beings can commence until it has been approved by one of UB’s Institutional Review Boards (IRB). For more information on IRB please visit this link.

Next Steps

You are about to submit a Project Funding application. Once you submit the application, please submit the appropriate signature form from the ELN Funding website. Your application is not complete until you submit both an application and the signature form by the funding deadline.

After the funding deadline, the ELN staff will review all applications and email you directly with a funding decision. This can take between 1-3 weeks, depending on the volume of submissions. After funding decisions are announced, the transfer of funds may take several weeks to be finalized.
