Faculty Senate Teaching and Learning Committee:

3/25/15

During the fall semester, we met to investigate and ultimately express support for the new General Education curriculum.

This spring semester we met and discussed the following:

- Communication Literacy rollout with respect to Gen Edu requirements
- Upcoming Center for Education Innovation events (seed grants, next October's Genteel's Conference re: Learning Spaces)
- Experiential Education efforts – Mara Huber reported on the the intersection between local and SUNY efforts to understand and support applied learning.
