Here is how you reach your goals and achieve distinction.
UB represents a unique way of doing things.

Here, we prove that how you learn is as important as what you learn. Because only through a culture of perpetual discovery can you master the principles that place you at the forefront of your discipline. And when you’re surrounded by ambitious peers from around the world and guided by prestigious faculty from the tops of their fields, you’re ready for any challenge and bound to accomplish more.

Learn more about UB. You’ll find more than an extraordinary value. You’ll find an education that will prepare you to show the world: Here is how.

THE COMMUNITY
- A temperate, four-season climate
- The second-biggest city in New York State, and third most affordable city in the U.S.
- A welcoming and safe city for international students
- An hour’s flight from New York City, Washington, Boston, Philadelphia and Chicago
- Located within driving distance of one-fourth of the U.S. population, and just 90 minutes by car to Toronto

STUDENT LIFE
- 300+ student organizations, including more than 25 international clubs
- University-sponsored concerts, art exhibits, theater performances, films, general-interest lectures, international festivals and cultural celebrations

FACILITIES AND ENGLISH LANGUAGE INSTITUTE
- UB’s English Language Institute has one of the leading intensive English programs in the United States. Full-time language instruction and pre-academic training are offered in fall, spring and summer. Learn more: buffalo.edu/eli
- UB’s multimedia instructional spaces, wireless infrastructure, computational research facilities and laboratory spaces are among the best in the nation.
- UB houses more than 50 major research centers and institutes, focusing on fields such as computational research; bioinformatics and life sciences; lasers, photonics and biophotonics; and geographic information and analysis.

HOUSING
- On-campus housing for more than 7,000 students, including 15 co-educational residence halls and spacious apartment communities
- UB housing website: buffalo.edu/campusliving

ADMISSION REQUIREMENTS
International applicants are evaluated for admission based on the following criteria:
- Academic qualifications and credentials: The applicant’s academic record.
- English language proficiency: The minimum TOEFL score for admission is set by each department; the standard university minimum TOEFL score is 79 iBT (no section below 15) or 550 paper-based. The standard university minimum for the IELTS is 6.5 (no section below 6.0). Applicants with scores below the minimum may be considered on a conditional basis.
- Standardized tests: The GRE, GMAT and similar tests may be required by individual departments.
- Financial support: All international applicants must document sources of financial support.

HOW TO APPLY
Graduate applications must be submitted to the individual departments. Departmental deadlines vary; deadlines are earlier for financial aid.

ACADEMIC CALENDAR
- Fall semester: late August to mid-December
- Spring semester: mid-January to early May

UB represents a unique way of doing things.
Based on 2018–19 costs. Above costs are for one academic year (two semesters) and do not include books and personal expenses. Total cost increases approximately 5% annually.

FINANCIAL ASSISTANCE AND EMPLOYMENT
- Fellowships and assistantships, including tuition waivers, may be available through individual departments.
- Limited part-time employment is available for international students.

COMPREHENSIVE AND DIVERSE SETTING
As New York’s premier public center for graduate and professional education, and the state’s largest and most comprehensive public university, UB enrolls more than 31,000 students, including nearly 10,000 graduate and professional students and over 5,000 international students from more than 100 countries.

Graduate Degrees

School of Architecture and Planning
arch.buffalo.edu
- Architecture – MArch, MS
- Real Estate Development – MS
- Urban and Regional Planning – PhD
- Urban Planning – MUP

College of Arts and Sciences
cas.buffalo.edu
- American Studies – MA, PhD
- Anthropology – MA, PhD
- Art Management – MA
- Advocacy for Cultural Organizations – CERT
- Audiology – AuD
- Biological Sciences – MA, MS, PhD
- Canadian-American Studies – MA
- Canadian-American Studies joint w/ Brock University – MA
- Chemistry – MA, PhD
- Classics – MA, PhD
- Concentrations in: Ancient History, Latin Communication – MA, PhD
- Communicative Disorders and Sciences – MA, PhD
- Comparative Literature – MA, PhD
- Computational Linguistics – MS
- Critical Museum Studies – MA
- Dance – MFA
- Data Analysis in the Social Sciences – MS
- Econometrics and Quantitative Economics – MS
- Economics – MA, MS, PhD
- English – MA, PhD
- Evolution, Ecology and Behavior – MS, PhD
- Fine Arts – MFA
- French Language and Literature – MA, PhD
- Geographical Information Science – MS
- Geography – MA, MS, PhD
- Geological Sciences – MA, MS, PhD
- Global Gender Studies – MA, PhD
- History – MA, PhD
- Humanities Interdisciplinary Program – MA
- Concentrations in: Disability Studies, Film and Media Study, Social Media International Trade – MA
- Jewish Thought – MA
- Language and Literature – CERT
- Linguistics – MA, PhD
- Mathematics – MA, PhD
- Media Arts Production – MFA
- Media Study – PhD
- Medicinal Chemistry – MS, PhD
- Music Programs: Historical Musicology and Music Theory – PhD; Music Composition – MA, PhD; Music History – MA; Music Performance – MM; Music Theory – MA
- Philosophy – MA, PhD
- Physics – MS, PhD
- Political Science – MA, PhD
- Psychology Programs: Behavioral Neuroscience – PhD; Clinical Psychology – PhD; Cognitive Psychology – PhD; Psychology – MA; Social- Personality Psychology – PhD

Social Sciences Interdisciplinary – MS
- Sociology – MA, PhD
- Spanish Language and Literature – MA, PhD
- Sustainability – CERT
- Theatre and Performance – MA, PhD
- Visual Studies – MA, PhD

School of Dental Medicine
dental.buffalo.edu
- Biomatamals – MS
- Dentistry – DDS
- Oral Biology – PhD
- Oral Sciences – MS
- Orthodontics – MS, CERT
- Certificate Programs: Endodontics; Oral and Maxillofacial Pathology; Oral and Maxillofacial Surgery; Pediatric Dentistry; Periodontics; Prosthodontics; Temporomandibular Disorders and Orofacial Pain

Graduate School of Education
literate.buffalo.edu
- Childhood Education (1-6) – EdM
- Childhood Education with Bilingual Extension (1-6) – EdM
- Counseling/School Psychology – PhD
- Counselor Education – PhD
- Curriculum, Instruction and the Science of Learning – PhD
- Concentrations in: Elementary, English, Math, Reading or Science Education

Early Childhood Education (birth-grade 2) – EdM
- Early Childhood Education with Bilingual Extension (birth-grade 2) – EdM

School of Pharmacy and Biomedical Sciences
pharmacy.buffalo.edu
- Biochemistry – MS, PhD
- Biomedical Informatics – MS, PhD
- Biophysics – MS, PhD
- Biotechnology – MS
- Computational Cell Biology, Anatomy and Pathology – PhD
- Genetics, Genomics and Bioinformatics – MS, PhD
- Medical Physics – MS, PhD
- Microbiology and Immunology – MS, PhD
- Natural Sciences Interdisciplinary Program – MS

School of Medicine and Biomedical Sciences
medicine.buffalo.edu
- Biochemistry – MA, PhD
- Biomedical Informatics – MS, PhD
- Biophysics – MS, PhD
- Biotechnology – MS
- Computational Cell Biology, Anatomy and Pathology – PhD
- Genetics, Genomics and Bioinformatics – MS, PhD
- Medical Physics – MS, PhD
- Microbiology and Immunology – MS, PhD
- Natural Sciences Interdisciplinary Program – MS

School of Engineering and Applied Sciences
engineering.buffalo.edu
- Aerospace Engineering – MS, PhD
- Biomedical Engineering – MS, PhD
- Chemical and Biological Engineering – ME, MS, PhD
- Civil Engineering – MS, PhD
- Computational Data-Enabled Sciences – PhD
- Computer Science and Engineering – MS, PhD
- Data and Information Fusion – ME
- Data Sciences and Applications – MPS
- Electrical Engineering – ME, MS, PhD
- Engineering Sciences – MS
- Concentrations in: Data Sciences, Green Energy, Internet of Things, Nanoelectronics
- Environmental and Water Resource Engineering – MS
- Industrial Engineering – ME, MS, PhD
- Materials Design and Innovation – MS, PhD
- Mechanical Engineering – MS, PhD
- Sustainable Transportation and Logistics – MS
