

# iSEED

INSTITUTE FOR  
STRATEGIC ENHANCEMENT OF  
EDUCATIONAL DIVERSITY

## iSEED Summer Research Experience

Summer stipends are available to talented undergraduate students to participate in a variety of research activities in STEM disciplines.

Students will learn more about graduate and professional school opportunities offered by UB in the fields of their choice.

iSEED Scholars will participate in CLIMB UP.

Opportunities to work with outstanding researchers at UB's:

College of Arts & Sciences

School of Dental Medicine

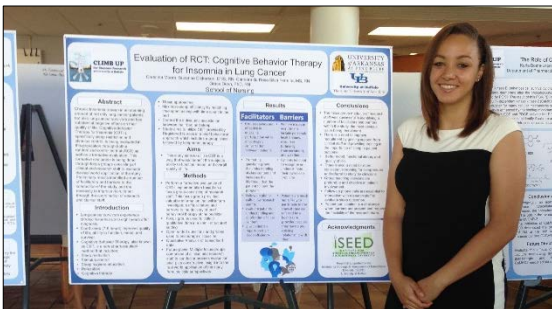

School of Engineering & Applied Sciences

Jacobs School of Medicine & Biomedical Sciences

School of Nursing

School of Pharmacy & Pharmaceutical Sciences

School of Public Health & Health Professions
