

# Using the Student Center: Understanding My Advisement Report

The Student Center is a self-service page that provides students an entry to the HUB. Along with MyUB, it provides navigation to tools and information that are important to you. To reach the Student Center click the Student Center tab from MyUB. In this tutorial we will review the UB Undergraduate Catalog, where to find university policies and procedures, read your advisement reports.

## UB Undergraduate Catalog

The UB Undergraduate Catalog is the source of the University Policies and Procedures and Academic Program requirements that govern the structure of the Academic Advising Report. You will find a link to the Undergraduate Catalog in the More Academic Resources section of the Student Center, in the lower right hand margin. Click the link “Catalog (Undergrad)” to access the catalog. You’ll notice that a new browser window will open.

The Policies & Procedures page, University Degree Requirements section of the Undergraduate Catalog includes:

- The Catalog Rights Statement
- Minimum Number of Credit Hours
- Minimum Academic Average
- Major Requirements
- General Education Requirements

The Academic Programs (Majors) section contains a list of UB’s Academic Programs along with information about each Program such as:

- Contact Information
- Overview of the Program
- Academic Requirements (for the Program)
- Courses Offered

When you are done with the Undergraduate Catalog window, you can close it using the close Window button .

## My Academics

In the Academics section of the Student Center click the My Academics link. The My Academics tab contains links to:

- View your Advisement Reports
- [Create a What-if Scenario](#)
- [Transfer Credit Evaluation](#)
- View my Course History
- [Request a Transcript](#)
- Request Enrollment Verification
- [Apply for Graduation](#)

In this tutorial, we'll cover how to View your Advisement Reports, View my Course History, and Request Enrollment Verification. The other areas are covered in other tutorials. Click the hyperlink to view those tutorials.

## Viewing your Advisement Reports

To view your advisement reports, click on the View Your Advisement Reports link in the Academic Requirements Group.

Once you've clicked the link you have the option of viewing your report on the web, or by printing it. If you would like to print the report, click the "Printable Version" link.

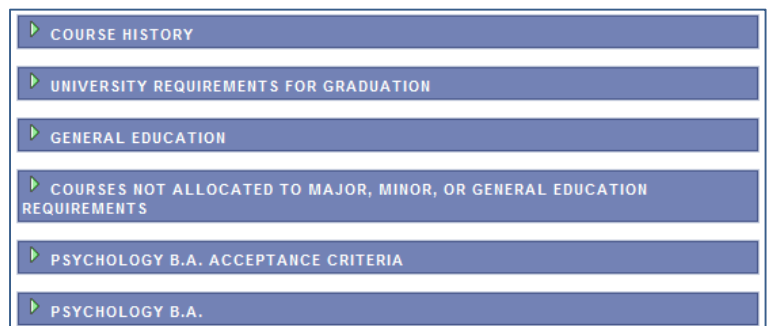

Use the collapse all  and expand all  buttons to shorten or lengthen your report. You will also see the Course Status icons (Taken, In Progress, Planned) that are used throughout the report.

When you collapse all areas of the report, you'll notice that the major sections of the report are:

- Course History
- University Requirements for Graduation
- General Education
- Courses Not Allocated
- Acceptance Criteria for Major or Minor
- Requirements for Major

Click the expand all  button to expand all sections to view detail for all the sections and subsections in the report.

## Course History

The first section of the report will be Course History. This section displays a list of all coursework taken in your Undergraduate career.

Throughout the report you see tables. The default setting will only display 10 records. Click the View All link to view all of the courses. If you have more than 10 records you will now see the entire list of courses. Scroll up to the top of the Course History table.

The Course History table has six columns:

- Course

When you click the **When** column header, the course listings will be listed chronologically. All course will be listed (UB, Transfer, and any other courses/credits completed).

The Grade column displays Course grades as follows:

UB courses will display a letter grade

Transfer courses will display a prefix of "T" before the actual grade, for example "TA."

Alternative Credit (AP, IB, CLEP, etc.) will display a prefix of "P" before the grade, for example "P3". The grade listed for alternative credit is equivalent to the test score. Alternative credit hours are not used in the calculation of a Grade Point Average.

## University Requirements for Graduation
