Student Center: Get a Billing Text Message

In this tutorial you’ll learn how to set up a text message from your Student Center account within HUB. For you to receive these text messages, it is important that these steps are completed BEFORE your bill arrives.

First, log into the HUB via MyUB (http://myub.buffalo.edu). At the top of MyUB, click on the navigation button entitled “HUB Student Center”.

Next, scroll down to the finances group in your Student Center and click “payment options”.

You will be taken to the Message Board where you are welcomed to the QuikPAY system. On this screen click on “User Preferences” found on the left side navigation bar.
In the SMS options group, you’ll add your phone number and mobile phone carrier (e.g. verizon, AT&T, etc.). It’s important than you include your area code when providing your mobile phone number.

Next, click the checkbox under SMS that corresponds with the line “When a bill arrives.”.

Finally, click the “Save” button when you’ve completed this process.

You have now successfully completed the task of getting a text message when your bill arrives. You will not have to perform these steps for future bills.
