College of Arts and Sciences • Architecture and Planning • Dental Medicine • Education • Engineering and Applied Sciences • Law • Management • Medicine and Biomedical Sciences • Nursing • Pharmacy and Pharmaceutical Sciences • Public Health and Health Professions • Roswell Park Cancer Institute Graduate Division • Social Work

UB 2020: CREATING THE FUTURE

UB 2020 is a vision for the University at Buffalo's emergence as a world-class public research university and a strategic plan or fully achieving its vast potential. It is being implemented through investments in excellence in academic and other programs across the university. We envision enhanced educational opportunities for our students, more research discoveries that improve life for people throughout the world, and a greater economic impact on our region and New York State.

WE MOVE THE WORLD

Our more than 218,000 alumni live in every state and 130 countries around the world. Among our celebrated graduates: CNN's lead political anchor; China's former minister of education; founder of Miramax Films; CEOs of Paramount Pictures, J. Crew Group, and A&E Television Networks; and The Washington Post's Pulitzer Prize-winning editorial cartoonist.
