

POINTS OF PRIDE WITHIN UB'S

# Campus Life

Life on campus at UB offers endless services and opportunities from leadership workshops to wellness resources. Community, pride, and tradition inspire an enriching campus experience for all students.

## OOZFEST

Every April at the Mud Pit on St. Rita's Lane, more than 100 teams compete in Oozfest, presented by the University Student Alumni Board. Oozfest is one of the largest collegiate mud volleyball tournaments in the United States and involves over 1,000 players and volunteers, including UB students and alumni.

## CULTURAL DIFFERENCE

UB's Intercultural and Diversity Center (IDC) provides a comfortable environment for educational programs to help the university cultural difference. Each year the IDC puts on several cultural bazaars and conducts film and discussion series dealing with diversity issues.

## Leadership and Community Engagement

### STUDENT ACTIVITIES AND EVENTS

From Festival of Traditions honoring many holiday culture traditions to Parent and Family Weekend, job fairs, and life skill workshops, UB provides the ideal collegiate co-curricular experience for students and campus community. Each year, hundreds of student programs, many of which are UB traditions, inspire pride in our university, help build life skills, and engender a sense of civic responsibility in a campus environment that's both enriching and entertaining.

### COMMUNITY PROGRAMS

Volunteer student programs in the community include the Anti-Rape Task Force that helps prevent violent altercations, the Kiwanis-sponsored Circle K fellowship, the Community Action Corps, and such initiatives as Big Brother Big Sister, Habitat for Humanity, UB's Day of Caring, Buffalo News Kids' Day, Project America, and DARE.
