

# the TOOL LIBRARY

## Don't buy tools, borrow ours!

### We provide communities with the tools they need to create the change they want.

As a community-driven non-profit, a membership to the Tool Library gives you access to thousands of tools for a small annual fee. Whether you're a renter on a budget, a homeowner with a fixer upper, or a block club organizing a cleanup, the Tool Library is sure to save you time and money! Members can borrow tools on an as-needed basis and attend workshops on home repair, gardening, and more!

## Join

Become a member of the Tool Library and support our mission! You'll get access to thousands of tools for as little as \$20 per year and become part of an awesome community!

## Donate

Cleaning out your garage and have a few extra tools laying around? Donate them to the Tool Library! You can also support our work through a tax-deductible donation.

## Volunteer

Looking to make a difference in your community? Become a Tool Library volunteer, or get involved with one of our many community projects.
