-
- EDUCATION**
- School of Journalism and Mass Communication, University of Wisconsin–Madison**
Ph.D. in Communication (2016-2020)
Minor: Educational Psychology (quantitative methods)
Dissertation: A network approach to understanding public attention, public opinion and communication flows in the digital media system (Thomas E. Patterson Best Dissertation Award)
Chairs: Dhavan Shah & Chris Wells
Committee members: Lewis Friedland, Karl Rohe & Zhongdang Pan
- School of Journalism and Mass Communication, University of Wisconsin–Madison**
M.A. in Mass Communication (2013-2016)
- School of Journalism and Communication, Renmin University of China**
M.A. in Journalism (2012-2014)
- School of Foreign Languages and Literatures, Beijing Normal University**
B.A. in English Language and Literature (2007-2011) Highest Honors
- PROFESSIONAL APPOINTMENTS**
- Assistant Professor, Department of Communication, University at Buffalo
2020-
- Affiliated Faculty, Institute for Artificial Intelligence and Data Science
 - Affiliated Faculty, Center for Information Integrity
- Honorary Fellow, School of Journalism and Mass Communication, University of Wisconsin–Madison
2021-
- Lecturer, School of Journalism and Mass Communication, University of Wisconsin–Madison
2020
- Graduate Research Assistant, Department of Statistics, University of Wisconsin–Madison
2018-2019
- Graduate Teaching Assistant, School of Journalism and Mass Communication, University of Wisconsin–Madison
2013-2018
- Program Assistant, Office of China Affairs, University of Maryland, College Park
2011-2012
- RESEARCH AREAS**
- social media, AI, media ecosystem, information flows, public opinion, political communication, computational social science.
- JOURNAL PUBLICATIONS**
- +indicates a graduate/undergraduate student author at the time of manuscript preparation*

National Science Foundation

Co-PI

UB Total: \$375,000

SICSS Project: Examining multi-platform communication flows (2018)

Northwestern University

Team Lead

\$2,000

AWARDS

Thomas E. Patterson Best Dissertation Award. American Political Science Association. (2021)

Louise Elizabeth George Scholarship. University of Wisconsin–Madison. (2019)

Top paper in Political Communication Interest Group paper competition. The Association for Education in Journalism and Mass Communication. (2018)

Third place in the inaugural AEJMC Research Prize for Professional Relevance competition. The Association for Education in Journalism and Mass Communication. (2018)

Excellence in Teaching Award. University of Wisconsin–Madison. (2017)

Top Research Paper at Communication Crossroads. University of Wisconsin–Madison. (2016)

INVITED TALKS

The Mutual Shaping Between Communication Technologies and Users: A Computational Approach. Department of Communication and Journalism at Texas A&M University. January 29, 2024.

Users, Spaces, Platforms, and Systems: A Multi-Level Framework for Social Media Research. Speaker for Brown Bag Series. Department of Communication at the University at Buffalo. December 8, 2023.

Hyperlinks and content: Two computational approaches to tracing information flows in the hybrid-media cross-platform information ecology. Speaker for Summer Institute in Computational Social Science-North Dakota State University (SICSS-NDSU). June 22, 2023.

Misinformation and extremism. Panelist at the Center for Information Integrity Conference, University at Buffalo. April 21, 2023.

Social media and mass shootings. Panelist at Buffalo Rising: Remembering the Past to Build a Stronger Community. Franklin H. Williams Judicial Commission, NYS Unified Court System. October 22, 2022.

New and emerging data tools. Panelist at the 2022 Digital Data Conference (D2C).

University of Texas-Austin & The Social Science Research Council. April 14, 2022.

Rooted in community and toward a personalized SJMC experience. Keynote speaker at the 2021 Communication Crossroads Conference. University of Wisconsin–Madison. March 12, 2021.

A network approach to mapping out communication actors and tracing communication flows and influence. Speaker for Cutting-edge Communication Research at the Amsterdam School of Communication Research. University of Amsterdam. January 28, 2021.

Whose lives matter? Mass shootings and social media discourses of sympathy and policy, 2012-2014. Presented to School of Journalism and Mass Communication Board of Visitors. University of Wisconsin–Madison. April 12, 2019.

TEACHING

COURSES TAUGHT:

COM205 Research Methods. (F25, F23, S23, F22, S22, Summer21) University at Buffalo.

COM240 Introduction to Mass Communication. (Summer22) University at Buffalo.

COM337 Communication Theory. (S26, S23, S22, S21, F20) University at Buffalo.

COM466 Social Media & Society. (S26, S25, F21) University at Buffalo.

COM504 Research Methods. (F25, F23, F22) University at Buffalo.

COM686 Social Media & Society. (S25, F21, S21) University at Buffalo.

J566 Communication & Public Opinion (S20). University of Wisconsin–Madison.

J561 Mass Communication & Society (S18 as TA). University of Wisconsin–Madison.

J614 Communication & Public Opinion (F17, S17, & S16 as TA). University of Wisconsin–Madison.

J201 Introduction to Mass Communication (F16 & F13-F15, as (lead) TA). University of Wisconsin–Madison.

STUDENT ADVISING:

Doctoral Dissertation Committee (2021 to present):

- Department of Communication: Anita Kuei-Chun Liu (assistant professor at National Taiwan University), Sneha Gupta (industry research position), Rui Wang (assistant professor at Loyola University Maryland);
- Department of Computer Science and Engineering: Zijian An (Meta)

SERVICE TO UB Co-Organizer of "From Social Media Feeds to AI Systems: Rethinking Persuasion" Symposium (2026)

Co-Organizer of "Content Analysis with AI Readers" Workshop (2026)

Co-Organizer of Brownbag Talk Series (2025-)

Co-Organizer of Graduate Student Professional Development Workshop on Publishing (2025)

Member of the Graduate Admissions Committee (2021 & 2022)

SERVICE TO THE FIELD

Editorial Board of [The International Journal of Public Opinion Research](#) (2023-)

Member of [Media and Democracy Data Cooperative](#) (2021-)

Top Student Paper Committee of the Computational Methods Division (ICA, 2024)

Secretary/Treasurer, [Political Communication Section](#) (APSA, 2022-2024)

Guest editor for Special Section of [JQD:DM](#) in Collaboration with [ICWSM](#) (2023)

Thomas E. Patterson Best Dissertation Award Committee (APSA, 2022)
