Reporting

Goals

Create a platform for departments to view all instruments and services available on campus.

Provide a tool allowing service centers to manage customers and account receivables.

Improve record keeping and reporting.

Establish calendars and workflows for resource scheduling and service requests.

Automate billing, invoicing and payment posting through integration with the university's chart of accounts.

INFORMATION FOR CUSTOMERS

Registering

SAML ID Integration

UB Faculty, Staff and Students will be able to login with their UB credentials.

The screenshot shows the University at Buffalo login interface. At the top is a blue header with the UB logo and the text "University at Buffalo The State University of New York". Below the header is a large grey rectangular area containing the login form. The form is titled "Login Required" in a serif font. It features two input fields: the first is labeled "UBITName" with a person icon, and the second is labeled "Password" with a lock icon. Below these fields is a "Log In" button. At the bottom of the form, there are three links: "I don't know my password", "Find my UBITName", and "Help".
