

## PAY OPTION CHANGE CONSENT FORM

Effective September 1, 2024

I hereby elect to receive my academic-year annual salary on a 26-pay period basis rather than a 21-pay period basis, from September 1 through August 31, commencing September 1, 2024. I understand that if I elect the 26-pay period basis, I cannot subsequently elect to change back to the 21-pay period basis.

**\*\*Additionally, I understand that my new pay basis of 10/12 (26 paychecks issued over 12 months instead of 21 paychecks issued over 10 months) is from 9/1/24-8/31/25, and my first Fall 2024 semester paycheck will be paid on 9/25/24 and will be for 11 days instead of 14 days. I understand that my new biweekly payment will be less than my previous biweekly payment as the salary is now spread over the entire year, instead of just the academic year.**
