

MEMORANDUM

TO: Research Foundation Graduate Student Employees

FROM: Sean O'Brien
Human Resources Assistant

DATE: March 15, 2022

RE: Graduate Student Employee Health Insurance - Summer Continuation

If you're terminating your employment with the Research Foundation between May 1st and May 31st, 2022 **and you're returning to the Research Foundation in the fall**, You are eligible to continue your health insurance through the summer by having advance deductions come out of your paychecks prior to your termination.

If this applies to you, please have your Principal Investigator sign the attached form stating that you will be reappointed in the fall and send the completed form to my attention at **Research Foundation-HR Services, Townsend Hall 205 Hayes Rd, South Campus.**

If you're continuing your employment through the summer, regular bi-weekly deductions are taking from your paychecks. You will not be required to re-enroll or take any further action unless there is a break in service.

Graduate Student Employees terminating prior to May 1, 2022, and are not returning in the fall, or don't respond to this notice by Friday, April 15th, 2022, your coverage will continue for an additional 28 days from your appointment termination date and you will receive regular notification to continue health coverage under COBRA.

If you should have any questions, please do not hesitate to contact me at (716) 645-4485, or email sobrien2@buffalo.edu, or Zachary Jenney at (716) 645-4439 Or email zjenney@buffalo.edu .
