User Guide Overview

Document Scope

This CitiManager® Site User Guide provides detailed step-by-step instructions for all CitiManager Site functions available to Cardholders.

For a consolidated user guide, refer to the CitiManager Quick Start Guide for Cardholders.

Your Access May Vary

The functions you have access to are based on your role and entitlements. You may not have entitlements for all the functions described in this user guide. Some fields are defined at the company level so there may be variances in what is described in this user guide based on your company’s setup.

A Note About Navigation

Most step-by-step instructions in this user guide assume you are already logged into the CitiManager Site. Refer to the Log In to CitiManager Site topic for the steps required to log in.

Unless otherwise noted, the step-by-step instructions begin from the CitiManager Site Home screen.
Getting Started in CitiManager

What is CitiManager?

Description

The CitiManager Site is a powerful online tool that allows Cardholders to view and manage their account at any time. Based on your company's set up, some of the key self-service activities may include:

- Retrieve a forgotten username or password
- View recent activity and current and past statements
- View credit limits, total balances and transaction level detail
- Make a payment
- Request a refund
- Manage e-mail and mobile alerts
- Dispute a transaction and view the dispute once it's submitted
- Manage preferences and update contact information

For companies that have the Registration ID and Passcode feature turned on, the CitiManager Site will send you Registration ID and Passcode e-mails once activity is recorded on your Cardholder account. Once received, you can complete the CitiManager Site self-registration process to access your account details.
Basic Navigation

Key Concepts

After you log in to the CitiManager Site, the Home screen displays. The Home screen acts as a dashboard and displays a high level metric summary of your account — including your credit limit, total balance and available credit. You can also view recent transactions that have posted since your last statement. Use the navigation options from the header and the side navigation bar as well as quick links to navigate to additional account information and preferences.

Home Screen

**Screen Components**

1. View your company. If you have access to more than one, you may select it using the drop-down list.
2. Access My Profile functions or sign out of the CitiManager Site.
3. View the Message Board.
4. View high-level account metrics such as credit limit, available credit, current balance and amount due. If your organization allows you to make payments, the Make a Payment link displays. For centrally billed accounts, the amount due by your company displays.
5. Use the account drop-down arrow to toggle between card accounts if you have more than one.
6. Use the quick links to navigate to the Statements and Alerts screens.
7. View list of transactions that posted since your last statement.
8. Use the search field to perform a basic transaction search by the details, amount or date or click the Advanced Search link to narrow your search.
9. Click the > Forward arrow to navigate to the Statements screen.
### Choose Your Language

#### Key Concepts

The CitiManager Site is available in 28 languages. You can change the language in which the CitiManager Site displays by selecting it from the Login screen before you log in to the site.

Apply for New Card Using an Invitation Passcode

Key Concepts

Before you can apply for a new card, an Invitation Passcode and the inviter’s e-mail address are required. Both are obtained from your Program Administrator.

Once you have submitted your application, you will receive a confirmation message when the necessary approvals have been received, either from a Supervisor and/or Program Administrator.

You can view the status of your application in the CitiManager Site by using the username and passcode created during the application process to log in and navigate to My Profile > Request History. Refer to the View Application and Maintenance Request History topic in this user guide for additional information.

Once your card application is approved, the account will be linked to the CitiManager Site username and password that was created during the application process. This will allow you to log in to the CitiManager Site to view balances, credit limits, statements and perform other self-service tasks.

Self-register as a Cardholder

Key Concepts

As a Cardholder it’s possible to self-register for the CitiManager Site so you can view your account information, view statements and balances and perform other self-service tasks such as updating your alerts.

There are two possible self-registration options for Cardholders. The option used is based on your organization’s setup. You will use one of the following options:

- **Registration ID and Passcode** – If your organization uses this option, Citi will send you two e-mails once a transaction has posted to your account. You will receive one e-mail with your Registration ID and another with your Registration Passcode. These e-mails are required during the registration process. Once you receive your registration details, you must register within 60 days or your details will expire. You will be reminded every 15 days until your registration is complete.

- **Card Details** – Use the details from your card account. You will need your card number, account name and address. The account name, address and zip code must match exactly what appears on your billing statement.

Login to the CitiManager Site

Key Concepts

In order to access your account information in the CitiManager Site, you must login to the application using a valid username and password and then answer a challenge question.

As an additional layer of security, you may be required to enter a one-time passcode (OTP) during the login process. The CitiManager Site will assess the risk based on your previous login history. This additional step of authentication will not be necessary for every login.

If you cannot remember your username or password, refer to the Retrieve Forgotten Username or Reset Forgotten Password topics in this user guide.

If you need additional information about CitiManager Site self-registration, refer to the Self-register as a Cardholder topic in this user guide.

**Note:** When you log in to the Citi Manager Site for the first time you must select and answer three challenge questions. Each time you log in, you will be asked to answer one of the challenge questions.  
If the system determines it necessary, the One-time Passcode receipt option screen displays. Select how you would like to receive your one-time passcode (the text option is recommended provided your mobile phone number is current in your profile) and click the **Continue** button. When the eight-digit code is received, enter it on the One-time Passcode screen in the CitiManager Site and click the **Continue** button. The one-time passcode expires after five minutes (300 seconds). |
| 5.   | Answer the challenge question and click the **Continue** button.  
*The CitiManager Site Home screen displays.*  
**Note:** You have three attempts to answer the challenge question correctly.|
Log Out of the CitiManager Site

Key Concepts

When logging out of the CitiManager Site, be sure to use the Sign Out link so the system closes all your current session information properly.

Do not close the CitiManager Site by clicking the browser or tab Close [X] button. Even though the browser/tab closes, your session remains open. You will either need to clear your cache or close your browser to end the session.

You will be automatically logged out of the CitiManager Site after 15 minutes of inactivity. If you receive an expiration warning message, you can click the OK button to keep your session open.

My Profile Overview

Description
The My Profile screen allows you to access links that are used to view your user role, hierarchy and entitlements. Additionally, you may update the following depending on your entitlements:

• CitiManager Site contact details
• User preferences such as language, date and time format and currency
• Password
• Reset challenge questions
• Merge CitiManager Site user names if you have more than one
• Change your primary company if you are assigned more than one
• Link/Unlink another card account
• Assign/Unassign Alternate user
• View application and maintenance request history

Reset Challenge Questions

Key Concepts
Since the CitiManager Site requires dual authentication you will need to answer an additional security question after you enter your username and password during the log in process.

You must select and answer three challenge questions when initially registering for the CitiManager Site and when you reset your existing challenge questions.

You may change your challenge questions and/or their answers at any time. Once you submit the request to reset your challenge questions, you will need to log in to the CitiManager Site and when prompted select and answer your new challenge questions.

### Merge Usernames

**Key Concepts**

As a CitiManager Site user you may have more than one username based on your role or responsibilities. If this is the case, you can merge two active usernames into one, eliminating the need to log in separately to each account and manage each separately. After the merge is complete, the alternate username will be deactivated.

Be sure to merge any usernames for which you have fewer permissions into the one that has the most permissions. This will ensure that you have all the permissions you are entitled to under one username.

Before you merge your usernames, be sure you are logged in to the CitiManager Site using the username you wish to keep. This username will be kept as the primary username.

You can only merge two usernames at a time. You must repeat the merge process to add additional accounts.

9.   | Click the **Complete Merge** button.  
*You are logged out of system and returned to the CitiManager Log In screen*  
10.  | Log back in to the CitiManager Site using the primary username and all of your permissions will be available from that username.  

### Key Concepts

**As a Cardholder, you may have access to accounts in different companies.** When logging in to the CitiManager Site your view defaults to one of those accounts which has been set as your primary company.

While you can change your company using the drop-down list that displays in the header of the CitiManager Site, you can also change the default so when you log in to the CitiManager Site the preferred company displays by default.

You cannot change your primary company if only one company is assigned to you.

Link Another Card Account

Key Concepts

If you already have a valid CitiManager Site login for an existing card account you can activate additional card accounts without creating another login, username and password.

Once you have activated and linked your card accounts you will be able to select which account you wish to view from the Home or Card Details or Statements screens.

Depending on the registration process used by your organization, you will use one of the following options to link your other card account:

- **Registration ID and Passcode** – You will receive the Registration ID and Passcode e-mails from the CitiManager Site.
- **Card Details** – Use the details from your card account. You will need your card number, account name and address.

The account name, address and zip code must match what appears on your billing statement exactly.

Assign Alternate User

Key Concepts

You can assign alternate users to your card account so others can access your account information, make maintenance requests (if your program allows) or make payments to individually billed accounts on your behalf.

You can assign an existing CitiManager Site user or assign a new one. Complete a search for an existing user first, and if they are not currently registered as a CitiManager Site user they must be created first. Once they are created, registration details will be sent to the new user. When user completes the registration process they will be assigned as your alternate user.

Request a Refund

Key Concepts
In order to submit a refund request, you must have this entitlement enabled. Before a refund can be approved, your eligibility must be verified first by entering the refund amount on the Check Refund Eligibility screen. If the amount requested is verified, you can proceed with the request.

The following requirements must be met in order to submit a request online:

• There must be a true credit balance that is the result of you (Cardholder) overpaying your account.
• The refund request must not exceed the current credit balance.
• Disputed transactions cannot be included in the credit balance.
• If you have two or more Non-sufficient Fund (NSF) checks, you cannot request a refund via the Automated Clearing House (ACH) process.

In the following circumstances, you cannot submit a request online. Contact Customer Service for assistance using the number that displays on the back of your card:

• If there was a personal payment or previous online request in the previous 10 business days.
• If your payment history is not in good standing.
• If you require a credit balance refund by check.
• If you require a refund of over $5,000.00.

ACH transfers will take 2-3 business days to process.

Make a Payment

**Key Concepts**

If your organization allows it, you can make an online payment. If paying from a Savings account and/or Credit Union, ensure your financial institution supports automated payments.

Before you can make a payment online you must enter your banking account information.

The required information includes:

- Your bank routing number
- Your checking or savings account number

You may choose from the following payment amount options:

- Total amount due
- Minimum amount due
- Specified amount

Payment requests received by 4:00 p.m. Eastern Time (ET) on a bank business day are posted to your Citibank Card account on the same day.

Payment requests received after 4:00 p.m. ET on a bank business day will post the next business day.

Business days are Monday through Friday, excluding federal holidays.

For additional information about viewing your payment history, refer to the **View Scheduled and Past Payments (View Payment History)** topic in this user guide.

View and Download Recent Transactions

Key Concepts

Recent unbilled transactions are transactions that have posted to your account but have not yet billed to a statement. The recent unbilled transactions that display will appear on your next statement. The information displayed on the Recent screen is not considered a final statement.

You can download transactions for individually or centrally billed accounts.

If you wish to print your recent transactions, it’s recommended you download the transactions in Excel format. Once the document is open, you can print it by selecting Print from the File menu.

Dispute a Transaction

Key Concepts
You can dispute a transaction such as when there are duplicate charges or when there is a hotel cancellation.

You can initiate disputes from a billed statement on the Statements screen or from the Statements — Recent Activities screen which displays unbilled transactions.

A disputed transaction must be submitted within 60 days of when the transaction is posted to the account’s billing statement.

Multiple transactions are not allowed to be disputed at the same time. Only one dispute per card account is allowed at a time.

You may be required to fax or mail additional information based on the dispute reason selected.

Note: The steps in the procedure describe how to dispute a transaction from the Statements screen. The procedure is the same from the Statements — Recent Activities screen.

Go Paperless

Key Concepts
The CitiManager Site allows you to opt out of receiving a paper statement or other paper notices through the mail. You will stop receiving statements the next billing cycle.

Once you opt out of receiving paper statements, you will receive an e-mail each month when your statement is ready. You can view and download your statements online at your convenience, including details for any purchase.

You must sign up to receive an e-mail alert that will notify you when a new statement is available. An e-mail is sent to the account e-mail address when the statement is ready to be viewed in the CitiManager Site. You can set your alerts by positioning your mouse over the Alerts button from the side navigation bar and clicking the Alerts link. Refer to the Set E-mail and Mobile Alerts topic in this guide for additional information.

Companies can choose to only allow electronic statements. If this is true for your company, then you will automatically be opted out of paper statements. In this case, the Go Paperless link will not display.

To receive your paper billing statement again, use the Opt Out screen and cancel your request to only receive online statements.

Alerts

Manage Alert Subscriptions

Key Concepts

As a Cardholder, you can set alerts so notifications are automatically sent via e-mail and/or to your mobile device when certain selected activity occurs on your account, for example, when statements are available and when payments are received.

There are two types of alerts to which you can subscribe:

- **Transactional Alerts** – An alert is sent when a defined condition or threshold is met, for example an alert is triggered when a payment is received or when a defined percentage of your credit limit is met.
- **Account Alerts** – An alert is sent when there are status changes to your account, for example when your address is changed or when your statement is available.

It is possible to enter up to five e-mail addresses and customize when you will receive your alerts based on:

- Time zone
- Time of day
- Days of week

Once you have subscribed to mobile alerts in the CitiManager Site, you will receive a confirmation text message on your mobile device with a four-digit PIN. The four-digit PIN must be entered on the PIN confirmation number screen in the CitiManager Site. Once the PIN has been entered, the CitiManager Site will send another text to your mobile device confirming activation. The confirmation text message is sent any time you change or enter a new mobile phone number.

On-Demand Mobile Alerts

In addition, once you have registered your mobile device number in the CitiManager Site, you have full access to on-demand mobile alerts. On-demand mobile alerts allow you to request and receive immediate information such as account balances, payment amounts and due dates. Refer to the Manage On-demand Mobile Alerts topic in this user guide for additional information.

Step-by-Step Instructions

<table>
<thead>
<tr>
<th>Step</th>
<th>Action</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td>From the CitiManager Site side navigation bar, position your mouse over the Alerts button and then click the Alerts Subscription link. The Alerts Subscription screen displays.</td>
</tr>
<tr>
<td>2.</td>
<td>To enter/edit the e-mail address(s) where you want alerts sent, click the Email Addresses - Edit link and complete the following steps when the Email Address Preferences window opens: a) Type and confirm up to five e-mail addresses. b) Click the Save button.</td>
</tr>
</tbody>
</table>
### Step 3

To edit your mobile number, your mobile carrier, and your notification preferences, click the **Mobile Phone Number — Edit** link and complete the following steps when the **Mobile Number Preferences** screen opens:

- **a)** In the **Country Code** and **Mobile Number** field, type a valid mobile phone number where you wish alerts to be sent.
  
  **Note:** Only numeric values are allowed in this field. The country code defaults based on the country associated with your profile.

- **b)** Click in the **Supported Carriers** field and select your mobile carrier.
  
  **Note:** If Sprint is your carrier, you are automatically enrolled in this subscription notification. This is a requirement of Sprint. Canadian users are automatically enrolled in this subscription due to regulations in Canada.

- **c)** Click in the **Preferred Time Zone** field and select your preferred time zone.

- **d)** Click in the **From** and **To** fields and select the time-frame in which you would like to receive alerts.

- **e)** From the list of weekdays, select the days you would like to receive alerts.

- **f)** Click the **Save** button.

### Step 4

To subscribe to alerts, select the **Email Alerts** and/or **SMS (Mobile Alerts)** checkbox(es) for each of the alerts you wish to receive.

To unsubscribe to alerts, deselect the **Email Alerts** and/or **SMS (Mobile Alerts)** checkbox(es) for the alerts you no longer wish to receive.

**Note:** Some alerts may be greyed out and unavailable. Available alerts are set by your Program Administrator. Alerts that are selected and greyed out are mandatory.

For more information about each alert, click the information icon next to the alert name.

Some alerts require you to type or select a threshold setting that will trigger the alert. For example, for the **Available Credit Remaining %** alert, you must select the desired **Available Credit Remaining %**. When the selected percent of remaining credit level is met, you will receive an alert.

### Step 5

When you are finished, review the terms and conditions at the bottom of the screen and if you agree, select the checkbox.

**Note:** If you do not agree to the terms and conditions, you will not be able to receive alerts.

### Step 6

Click the **Save** button.

The alerts settings are saved and a confirmation message displays at the top of the screen. The **PIN confirmation number** screen displays if you elected to receive alerts on your mobile device for the first time or you changed your mobile phone number.

**Note:** If you elected to receive alerts on your mobile device, you will receive a text message with a PIN. On the CitiManager Site **PIN confirmation number** screen, type the PIN number received on your mobile device in the **PIN confirmation number** field and click the **Confirm** button.

Citi believes that sustainability is good business practice. We work closely with our clients, peer financial institutions, NGOs and other partners to finance solutions to climate change, develop industry standards, reduce our own environmental footprint, and engage with stakeholders to advance shared learning and solutions. Highlights of Citi's unique role in promoting sustainability include: (a) releasing in 2007 a Climate Change Position Statement, the first U.S. financial institution to do so; (b) targeting $50 billion over 10 years to address global climate change; (c) committing to an absolute reduction in GHG emissions of all Citi owned and leased properties around the world by 10% by 2011; (d) purchasing more than 234,000 MWh of carbon neutral power for our operations over the last three years; (e) establishing in 2008 the Carbon Principles; a framework for banks and their U.S. power clients to evaluate and address carbon risks in the financing of electric power projects; (f) producing equity research related to climate issues that helps to inform investors on risks and opportunities associated with the issue; and (g) engaging with a broad range of stakeholders on the issue of climate change to help advance understanding and solutions.

Citi works with its clients in greenhouse gas intensive industries to evaluate emerging risks from climate change and, where appropriate, to mitigate those risks.
