Land Acknowledgment Statement

We would like to begin by acknowledging the land on which the University at Buffalo operates, which is the territory of the Seneca Nation, a member of the Haudenosaunee/Six Nations Confederacy. This territory is covered by The Dish with One Spoon Treaty of Peace and Friendship, a pledge to peaceably share and care for the resources around the Great Lakes. It is also covered by the 1794 Treaty of Canandaigua, between the United States Government and the Six Nations Confederacy, which further affirmed Haudenosaunee land rights and sovereignty in the State of New York. Today, this region is still the home to the Haudenosaunee people and we are grateful for the opportunity to live, work and share ideas in this territory.

SUNY Trustee and UB Officials

Eunice Ashman Lewin

Member of the State University of New York Board of Trustees

President and co-founder of Impacto Consulting Associates, Eunice Ashman Lewin joined the SUNY Board of Trustees in February 2010. She serves on the board's Executive Committee and co-chairs

the Student Life Committee. She also serves on the committees for academic affairs, communications and external affairs, community colleges, and academic medical centers and hospitals.

A former commissioner of the Niagara Frontier Transportation Authority, Lewin was a founding member of the Roswell Park Alliance and a board member of the Buffalo Urban League and Hispanics United of Buffalo. She is a member of the Hispanic Women's League and the Greater Buffalo Racial Equity Roundtable.

In 2024, Lewin was named chair of the Buffalo Urban League Board of Directors, dedicating herself to its mission of ensuring African Americans and others in underserved communities achieve their highest true social parity, economic self-reliance, power and civil rights.

A retired bilingual social worker for the Buffalo Board of Education, she is a champion for STEM education.

Born in Guantanamo, Cuba, Lewin immigrated to the United States with her family in 1967. She holds a bachelor's degree in sociology from Marymount Manhattan College, a master's degree in American and Puerto Rican studies, and an EdM in educational administration, both from UB.

Jerry Jacobs Jr.

Chairman of the University at Buffalo Council

Jeremy "Jerry" M. Jacobs Jr. is the chief executive officer of Delaware North, a role he shares with his brothers, Lou and Charlie. He also serves as an alternate governor to the Boston Bruins.

As CEO, Jacobs oversees the company and its operating subsidiaries, focusing on strategic growth, corporate governance and financial management. He joined Delaware North in 1986 and held progressive leadership roles before becoming CEO in 2015.

Jacobs is actively involved in numerous philanthropic, civic and business organizations in Buffalo and across the country. His current board positions include The Corps Network, Mimivax and the Jacobs Institute. He is also a member of the U.S. Travel Association's CEO Roundtable and the Partnership for New York City.

Jacobs was a founding board member of Say Yes Buffalo, and he has dedicated more than two decades of service to the United Way of Buffalo and Erie County, including past chairmanships of the board of directors and the annual fundraising campaign. He is a past member of the Board of Regents at Georgetown University and past chair of the Nichols School's Board of Trustees. He also served three terms on the University at Buffalo Foundation board.

Jacobs holds an MBA from the Wharton School of Business at the University of Pennsylvania and a BA from Georgetown University.

Satish K. Tripathi

University President

An internationally distinguished researcher and higher education leader, Satish K. Tripathi, PhD, is the University at Buffalo's 15th president.

Tripathi, who served as UB's provost from 2004-

2011, was dean of the Bourns College of Engineering at the University of California, Riverside, from 1997-2004. Previously, he spent 19 years as a professor of computer science at the University of Maryland, including seven as department chair.

In 2024, Tripathi was elected to the American Academy of Arts and Sciences. A fellow of IEEE and AAAS, he has published more than 200 scholarly papers, supervised more than 30 doctoral and postdoctoral students and served on program committees of numerous international conferences.

Tripathi graduated at the top of his class from Banaras Hindu University (BHU). He holds a master's degree and doctorate in computer science from the University of Toronto, as well as master's degrees in statistics from the University of Alberta and BHU. He has received honorary doctorates from Maharaja Surajmal Brij University, the Indian Institute of Information Technology, Allahabad, and Brock University.

Tripathi co-chairs the Association of American Universities (AAU) Task Force on Expanding U.S.-India University Partnerships, serves on the College Football Playoff Board of Managers and the boards of University Innovation Alliance and Internet2. Previously, he chaired the Mid-American Conference Council of Presidents and Internet2 and served on the boards of the AAU, NCAA Division I, NCAA Board of Governors, Association of Public and Land-Grant Universities and Council for Higher Education Accreditation.

A. Scott Weber

*Provost and Executive Vice President
for Academic Affairs*

As provost and executive vice president for academic affairs, A. Scott Weber, PhD, serves as the university's chief academic officer, providing leadership across the academic enterprise including research, scholarship and

creative activities; undergraduate, graduate, professional and international education; faculty development; inclusive excellence initiatives; and university libraries. Weber is leading the implementation of the university's vision to be recognized among the top 25 public research universities in the nation, focused on building on UB's strengths to achieve new levels of excellence in research, scholarship, education, clinical care and engagement.

A UB faculty member since 1983, Weber is an innovative scholar, teacher and former chair of UB's Department of Civil, Structural and Environmental Engineering. Prior to his appointment as provost and executive vice president for academic affairs, Weber held several other senior administrative roles at UB, including senior vice provost for academic affairs, where he was instrumental in the creation of the UB Curriculum and nationally recognized Finish in 4 program; and vice president for student life, where he focused on enhancing the student experience and promoting overall student wellness.

Weber serves on New York's Hazardous Waste Facility Siting Board for Chemical Waste Management. He is a former board member and current advisory committee member of the United Way of Buffalo and Erie County.

Weber earned bachelor's and master's of science degrees in civil engineering from Virginia Polytechnical Institute and a PhD in civil engineering from the University of California, Davis.

Robin G. Schulze

Dean of the College of Arts and Sciences

Robin G. Schulze, PhD, joined the University at Buffalo in July 2016 as dean of the College of Arts and Sciences and professor in the Department of English. As leader of UB's largest and most diverse academic unit, she drives UB's commitment

to prepare students to be active, knowledgeable, engaged citizens in a dynamic global community.

Over the last nine years, Schulze has worked to keep the College strong. She has increased research expenditure in the College and has secured major investments to enhance the College's disciplinary excellence, including funds to support the College's first two female SUNY Empire Innovation Professors. While championing disciplinary excellence, she has also invested in programs that approach critical present problems from a variety of disciplinary vantage points. The College's new department of Environment and Sustainability is a testament to that approach. She is also Co-principal Investigator on UB's first-ever Mellon Foundation grant in support of the College's new Department of Indigenous Studies which honors the university's long-standing commitment to training generations of native scholars. An advocate for the value of experiential learning, she has raised funds to provide College students access to important career building, learn-by-doing opportunities.

Schulze began her career at the University of Kansas. She moved to Penn State, where she became Head of the Department of English. In 2012, she moved to the University of Delaware and became the Associate Dean for the Humanities, a position she held until her move to UB.

The Mace

Designed to tell the story of the university and the Niagara Frontier, the University at Buffalo mace was fashioned by silversmith Hudson Roysner of Arcadia, CA. It was used for the first time in the 1962 general commencement.

The mace is silver with accents of lapis and howlite to represent the university's colors. It is topped by a miniature-walled structure representing the City of Buffalo. Engraved atop the city are three arrows bound together, symbolizing the unity of UB and the city.

A band of alternating jewels of lapis and howlite encircles the head of the mace and bears the founding dates of the 13 divisions that composed the university in 1962.

The UB arms appear on the front of the head. On the back are the arms of the United States. The discovery of Lake Erie in 1669 by Louis Joliet and early explorations by Robert de LaSalle are symbolized on the left side of the head. A crest on the right side symbolizes the university's role as a dynamic center of human growth and welfare.

The wild rose, the state flower, is depicted in a floral motif at the top and bottom of the mace's head. Encircling the ends of the shaft are three wavy lines representing intellect and water, the latter a reference to the Niagara River and Great Lakes.

The motto "University and City: Community" is lettered in Latin around the knob of the shaft.

Traditionally used in university ceremonies, the mace is a symbol of enlightened authority. The macebearer is the chair of the university's Faculty Senate.

About the College of Arts and Sciences

For over a century, the College of Arts and Sciences has served as the center of scholarly excellence and radical innovation at the heart of the University at Buffalo. Comprising 30 departments in the arts, humanities, social sciences, natural sciences and mathematics, as well as 16 special programs and 23 centers and institutes, the College is not only the largest campus unit, but the one most likely to directly impact every UB student at some point in their educational career. Our more than 530 dedicated faculty members, including 17 SUNY Distinguished Professors, prepare over 8,600 undergraduate and graduate students per year to become the critical thinkers and compassionate leaders so vital to our ever-evolving society.

Students in the College of Arts and Sciences also benefit from UB's status as a premier public research university and the breadth of resources this status provides. Internship, research, study abroad and service-learning opportunities pull students out of the classroom and into the real world of hands-on problem-solving. From advancements in targeted drug delivery and photonics; to complex understanding of climate challenges; to creative achievements in theatre, contemporary music, poetics and the arts, our students contribute regularly to the industries that will eventually employ them and from which they will dispatch crucial and compelling solutions.

"Liberal arts education is, in my view, the working definition of education," says Robin Schulze, Dean of the College. "The liberal arts grant students the skills to solve problems and the imagination and courage to make a better future. Our faculty are leaders in their fields. They challenge students to see complex issues from a variety of perspectives and to think creatively and collaboratively about how to make a difference in the world. The College really is a perfect place for students to find their passions and their purpose. We can't do this work without the support of our alumni and friends—the people who understand that a liberal arts education is critical to our collective good. Our mission is to help our students become active, empathetic citizens of a diverse and dynamic global community."

This year's graduating class joins nearly 110,000 College alumni, a massive network composed of internationally-recognized researchers, scientists and educators; pioneering business leaders; prominent writers and journalists; celebrated musicians and composers; and award-winning film directors, actors, artists and designers. These extraordinary individuals represent a tremendous legacy, one strengthened by the accomplishments of each additional class of College graduates.

The College would like to thank the members of the Class of 2025 for their efforts over the past four years and wish them the best of luck in their continued pursuit of knowledge and invention. As they sit poised on the brink of future success, we hope they will remember their time in the College as a period of discovery and growth, stay actively connected to their alma mater and help guide new generations of UB Bulls to build on their exemplary foundation.

SUNY Chancellor's Awards for Student Excellence

This award acknowledges students for outstanding achievements that have demonstrated the integration of SUNY excellence within many aspects of their lives in areas such as academics, leadership, campus involvement, community service or the arts.

Ricardo Castillo

Criminology and Law

Ricardo Castillo of Farmingdale, N.Y., graduates summa cum laude with a bachelor of arts in criminology and law. Castillo is a first-generation student, a University Honors College scholar and a member of the Phi Beta Kappa National Honor Society. He is currently editor-in-chief of "The Spectrum" student newspaper and a resident assistant with UB Campus Living. Castillo won an "Outstanding Oral Advocacy" distinction as a

Discover Law Scholar, co-founded UB's LSAT Club, spearheaded community service for Phi Alpha Delta pre-law fraternity and served as a teaching assistant for four courses across the law, sociology and English departments.

Emily Dickey

Political Science

Emily Dickey of Lancaster, N.Y., graduates summa cum laude with a bachelor of science in political science and a minor in communication. She completed internships within Senate Minority Leader Charles Schumer's Buffalo office and Congressman Joseph Morelle's Washington, D.C. office, where she contributed to effective communication between elected officials and the communities they represent. She worked for the

Erie County Democratic Committee as volunteer, intern coordinator and office manager during her time as a student, contributing to the community at the governmental and grassroots level. She is also an advocate for Type 1 diabetics, working with elected officials to increase access to affordable health care.

Tyler Herman

Economics, Political Science and Theatre

Tyler Herman of Hamburg, N.Y., graduates summa cum laude with a bachelor of arts in economics, political science and theatre. He is a member of the University Honors College and has been an active member of the Student Association throughout his time at UB, most recently advocating for student's needs as the student affairs director. Herman also conducted research across all three disciplines, in addition to serving as a stage manager in the

Department of Theatre and Dance. He gained internship experience with a government relations firm in Washington, D.C. and in Senate Minority Leader Charles Schumer's Buffalo office. Herman proudly serves as a longtime employee of the university's admissions office, a College of Arts and Sciences student ambassador and in his community as a youth hockey official.

Noor Ismail

Biological Sciences and Business Administration

Noor Ismail of Pittsford, N.Y., graduates summa cum laude with a bachelor of science in biological sciences and business administration with a concentration in international business. Noor is a member of the University Honors College and Phi Beta Kappa National Honor Society. She held various leadership roles, including executive director of public relations and chief communications officer of the SUNY

Student Assembly, president of UB Supply Chains and Operations Management Club and is on the Senior Associate Board for the N.Y. Birth Control Access Project. She is also a student-athlete tutor and served as a student ambassador for the College of Arts and Sciences, a teaching assistant for Evolutionary Biology and a research assistant in the School of Public Health and Health Professions.

Laibah Mir

Philosophy, Politics and Economics

Laibah Mir of Buffalo, N.Y., graduates summa cum laude with a bachelor of arts in philosophy, politics and economics. Mir is a member of the University Honors College and was selected as UB's second Key Into Public Service Scholar by the Phi Beta Kappa Honor Society. She published a policy proposal from her work in the Honors College ThinkTank and is currently conducting graduate-level research in Critical Race Theory for an educational journal. Mir serves as president of the UB Muslim Student Association and interns for the Women's Peace Network, a global non-profit documenting political and gender-based violence in Myanmar (Burma).

Alika Turton

Political Science

Alika Turton of Jamaica, N.Y., graduates cum laude with a bachelor of arts in political science with a concentration in American politics and public affairs and minors in communication and strategic media messaging. Turton is a first-generation college student in the Educational Opportunity Program. She is the UB Council student representative and worked with the university's seven student government presidents to award over \$240,000 to student clubs for event programming and journal publications. She was a SUNY Student Assembly advocate, UB UNICEF Unite creative director and UB EOP student ambassador. She also represented UB in various regional and national student leadership conferences.

Fiona Serrano

English, Global Gender and Sexuality Studies and History

Fiona Serrano of Shirley, N.Y., graduates summa cum laude with a bachelor of arts in English, global gender and sexuality studies and history and a minor in Jewish studies. Serrano is a McNair Scholar and a member of Phi Beta Kappa National Honor Society. She wrote and presented several award-winning research papers, including the Nels Andrew Cleven Founder's Paper Prize from Phi Alpha Theta, a national history honors society. She is a student ambassador for both the University Honors College and the College of Arts and Sciences and served as the president of the Undergraduate History Association. In the fall, Serrano will pursue a doctoral degree in European history at UCLA, focusing on gender and abortion in the USSR.

Constance Yap

Biomedical Sciences and Health and Human Services

Constance Yap of Clarence, N.Y., graduates with a bachelor of arts in health and human services with a concentration in child and family studies and a bachelor of science in biomedical sciences. She is a presidential scholar and member of the University Honors College. Yap performs inorganic chemistry research with SUNY Distinguished Professor Janet Morrow, synthesizing and analyzing potential alternative MRI contrast agents and is an Evolutionary Biology teaching assistant and Honors College student ambassador. Yap is the Vision Possible Buffalo co-director and founded Music Inspires New Dreams, benefitting children in the Seneca-Babcock community. She also volunteers at Oishei Children's Hospital and at Spirited Athletes Bold at Heart adaptive skating. at Spirited Athletes Bold at Heart. Following graduation, Yap will pursue a M.D. at the Warren Alpert Medical School at Brown University.

College of Arts and Sciences Outstanding Senior Awards

This award honors one graduating senior from each of our departments who has demonstrated exceptional diligence and promise during their time at the University at Buffalo. These students' efforts have distinguished them among their peers and set an inspiring example of academic and personal achievement. In recognition of their accomplishments, each student receives a certificate and an engraved award.

Sarah Vinal

Africana and American Studies

Sarah J. Vinal of Buffalo, N.Y., graduates summa cum laude with a bachelor of arts in anthropology and Africana and American studies. Vinal is an Africana and American studies honors graduate. She participated in Korea University's International Summer Campus (ISC) program in Seoul, service trips to Montecristo, El Salvador and an immersion trip to Mongu, Zambia. She worked as a case management intern at Journey's End Refugee

Services, providing essential support to refugee clients during their resettlement process. In the fall, Vinal plans to pursue a dual degree master's in social work and Juris Doctor with hopes to do macro-level social work, system change work and policy reform

Cassandra Wagener

Anthropology

Cassandra Wagener of Buffalo, N.Y., graduates summa cum laude with a bachelor of arts in anthropology and a minor in history. Wagener is a recipient of the Pride of New York Scholarship. She completed an Experiential Learning Network (ELN) project doing independent research alongside Assistant Professor Lacey Carpenter in UB's Teotihuacán Archaeological Collection. This project earned Wagener an ELN badge in mentored

research and her findings were presented at the Society for American Archaeology's 90th annual meeting. In the fall, Wagener plans to work locally to explore the job field and deepen her experience in collections research.

Sage Scholz

Art

Sage Scholz of Tonawanda, N.Y., graduates summa cum laude with a bachelor of fine arts degree with a concentration in photography. Sage's work is rooted in portraiture, centering on queer and underground spaces, capturing personal moments with friends and collaborators. In addition to these community works, Sage uses self-portraiture to explore the complexity of gender. By abstracting their body, they examine being raised in traditional gender

roles and their development to both separate from femininity and accept certain aspects of it within their transgender identity.

Ainslee Rose

Asian Studies

Ainslee Rose of Buffalo, N.Y., graduates summa cum laude with a bachelor of arts in Asian studies and a minor in linguistics. A dedicated scholar and researcher, she was a fellow at the Asia Research Institute, presented research at the New York Conference of Asian Studies and volunteered at numerous academic events. Beyond her academic work, Rose has been actively involved in global exchange and education, serving as an

intern at the International Institute of Buffalo and as a cultural liaison for the Gyeonggi Youth Ladder Program. She studied abroad at Korea University and is currently the Communications Chair for the Korean American Student Conference. Rose has also worked as an academic coach and a student assistant at UB's Office of International Education. She aspires to continue her research in Korean language and culture and further her work with immigrant, refugee and international communities. In the fall, Rose plans to pursue a master's degree in international affairs at Georgetown University.

Jasmin Gill
Biological Sciences

Jasmin Gill of Niagara Falls, Canada, graduates summa cum laude with a bachelor of arts in biological sciences and political science. Gill is a UB Presidential Scholar and member of the biological sciences honors program. She serves as president of the Association of Pre-Medical Students, a teaching assistant for evolutionary biology and fundamentals of biochemistry and as a student ambassador for the College of Arts and

Sciences. She has conducted research in several fields, including with Dr. Anurag Singh at Roswell Park Comprehensive Cancer Center, Dr. Sonya Noor at Buffalo Endovascular and Vascular Surgical Associates and Dr. Kim Griswold at the Jacobs School of Medicine and Biomedical Sciences. Gill has published 12 manuscripts in peer-reviewed journals such as BMC Cancer and JAMA Network Open. Of note, she gave an oral presentation as first author of a project at the American Society of Clinical Oncology in 2023. Gill will be matriculating to medical school this summer.

Nolan D. Mattison
Classics

Nolan D. Mattison of Horseheads, N.Y., graduates summa cum laude with a bachelor of arts in classics and a minor in anthropology. Mattison worked with classics professor John Dugan and Alison Fraser in the Special Collections of the University Libraries as part of an independent study cataloging a series of ancient coins in the university's possession. Mattison plans to pursue a master's degree in classics and archaeology while

continuing his research on ancient numismatics.

Owen Szeglowksi
Chemistry

Owen Szeglowksi of Buffalo, N.Y., graduates summa cum laude with a bachelor of science in chemistry. Szeglowksi is a UB Presidential Scholar and member of the University Honors College. He has been an active member of UB ChemClub, the student chapter of the American Chemical Society at UB, serving as its president and executive advisor. Szeglowksi has conducted research on catalytic applications of polynuclear

porphyrin architectures in the Cook lab for the last three years, resulting in several fellowships and publications. Outside of chemistry, he has been a teaching assistant for cell biology and tutored at the UB Tutoring and Academic Support Services Center. In the fall, Szeglowksi will pursue a PhD in inorganic chemistry at Harvard University.

Juliana Hassouna
Communication

Juliana Hassouna of Bridgewater, N.J., graduates summa cum laude with a bachelor of fine arts in dance and a bachelor of arts in communication. Hassouna is a member of Phi Beta Kappa National Honor Society and holds a 4.0 GPA. She has been a teaching assistant in the Department of Theatre and Dance and holds the role of undergraduate assistant to the director of UB's pre-professional dance company, Zodiaque Dance Company. After

Letter from the Dean of the College of Arts and Sciences

Dear Member of the Class of 2025,

It is with great pleasure that I congratulate you on your graduation from the University at Buffalo College of Arts and Sciences. What you have achieved today and over the past several years, is truly admirable.

Thank you for your efforts in the classroom, the lab, the performance hall, the studio, the athletic field and within the UB and greater Buffalo communities. You have become an integral part of our narrative. We will miss you.

As you transition into the next phase of your life, I want you to remember two things. First, your achievement does not end here. You are ready for whatever comes next. You have the knowledge and skills to succeed and the ability to define success on your own terms. Second, there are more than 110,000 College alumni worldwide, ready and eager to welcome you to their ranks. No matter where you go, you will find friends to support you.

Today, I hope you celebrate this moment to its fullest with the people who have supported and encouraged you throughout your education. Tomorrow, I know you will use what you have learned here to make the most of every opportunity.

Good luck and enjoy the adventure.

Robin G. Schulze

Dean of the College of Arts and Sciences

Letter from the UB Alumni Association President

Dear Member of the Class of 2025,

Congratulations! On behalf of the UB Alumni Association, I'm delighted to welcome you to your global network of more than 308,000 alumni. We're proud of all you have accomplished.

As you begin your next chapter, please stay in touch! Your alumni status opens so many opportunities to stay connected to your alma mater and fellow alumni.

What does this mean for you in practical terms? It means that you have access to career help through our virtual Connect-a-Bull platform, that you can volunteer to recruit new students or help a current student, that you can prepare for the next stage in your professional and personal journey through free webinars and our Career North professional development portal, and that you can participate in a variety of social and sporting events. To learn more about what's available with your new alumni status, visit buffalo.edu/alumni.

If you have questions about how to stay involved, contact the Office of Alumni Engagement at ub-alumni@buffalo.edu.

Remember, this isn't goodbye—it's WELCOME to the UB alumni family. We know you'll always be True Blue and proudly keep your Horns Up, wherever you go and whatever you do.

Go Bulls!

Joseph Stefko, BA '97, MA '99, PhD '03

President, UB Alumni Association Board of Directors

UB Alma Mater

*Music by Walter S. Goodale, MD, 1903.
Lyrics adapted by UB students in 2006 for
contemporary use.*

Verse 1:

The pride of our spirit and tradition,
Our alma mater's truth and name declare.
Celebrate our history and wisdom,
O let us all prepare to sing her glory.

Refrain:

To Buffalo all hail to thee,
Noble and strong it's our university!
To blue and white pledge loyalty,
Singing, I will always remember thee!

Verse 2:

We'll ever keep our standards high,
And sing UB's praises to the sky.
Receiving the finest education,
Our knowledge we impart unto the nations.

(Repeat refrain)

Verse 3:

Our friends we've made with ties that bind,
A union of our spirit, heart and mind.
Together we'll continue life's journey,
O may dear Buffalo forever be.

(Repeat refrain)

Visitor Information

Photographic Services

A photographer from Gradimages will be at the ceremony to take a posed photograph of each graduate, as well as a candid photograph of their special moment of recognition and handshake. Graduates will receive free proofs via email in the weeks following the ceremony. You may place orders or obtain answers to questions at www.gradimages.com or 800-261-2576. Since professional photographs will be available, family members and guests are encouraged to remain in their seats, relax and enjoy the ceremony.

Online Viewing of the Ceremony

This ceremony will be live-streamed. The ceremony will also be available for post-ceremony online viewing, shortly following commencement weekend. Visit buffalo.edu/commencement and click on the “Ceremonies and Streaming” tab for information.

Celebrate the #UBClassOf2025

Graduates and their guests can share photos, memories and well-wishes by texting 716-340-0652 or using the hashtag #UBClassOf2025 on Instagram and X/Twitter for the chance to see them displayed on screen before the ceremony and during the conferral of degrees.

Accessible Seating

A section for guests with wheelchairs is available on the floor-level. A section for guests who have requested accommodations, who do not arrive with a wheelchair, is available at the top of the 200-level. Special accommodations are also available for the deaf and hard of hearing.

To access any of these seating areas, please speak with an usher. Due to limited space, guests with special needs may be joined by just one ticketed guest in these special seating areas.

Emergency Assistance

First Aid – Main Floor, Room 121 (“Bullpen”)

University Police personnel and ambulances are on call to assist campus guests during the weekend. For emergency medical needs, please alert an usher. On-site emergency medical technicians will attend to you immediately.

University Police

716-645-2222

Lost and Found

University Police administers a lost-and-found service in Bissell Hall, south of the arena. An attendant is on duty at the switchboard 24 hours daily. Inquiries should be directed to University Police, University at Buffalo, Bissell Hall, Buffalo, NY 14260, 716-645-2227.

Restrooms

There are restrooms on all arena levels. First-floor restrooms are inside the main lobby; second-level facilities serve all upper seating.

University Bookstore

The University Bookstore at 200 Lee Entrance on the North Campus will remain open today until 5 p.m. The bookstore will reopen Monday with its regular hours, 10 a.m. – 5 p.m.

Alumni Arena No Re-entry Policy

Due to the anticipated full capacity in Alumni Arena and the necessary safety and security provisions that need to be in place as a consequence, commencement guests will not be able to regain entry to the Arena using a ticket stub once they leave the premises.

UBreathe Free

UB is committed to providing a healthy environment for our campus community. Smoking and vaping are prohibited throughout the university, indoors and outdoors. Your support is greatly appreciated.

Latex Balloons at Commencement

Please be aware that latex balloons will be present at this event. If you have a latex allergy, please take appropriate precautions to ensure your safety. We recommend informing the event staff about your condition and carrying any necessary medications. Event staff can assist you with reasonable accommodations. Your well-being is our priority and we want everyone to have a wonderful and safe experience at the event.

ON THE COVER:

The modern seal for the University at Buffalo harks back to a design adopted in 1923 to reflect the evolution of the university from separate schools into a more close-knit organization. Though the seal has been revised several times over the decades, the foundational elements remain: a proud bison signifying the City of Buffalo atop a shield supported by the palm leaves of victory and emblazoned with the flames of wisdom.
