

ALUMNI INSIGHTS

The Collegiate Science & Technology Entry Program (CSTEP) presents...

Demystifying Military Medicine

Dr. Wizard Seide
Military Pediatrician;
Deputy Commandant -
School of Medicine; Clinical
Associate Professor of
Pediatrics at Uniformed
Services University in
Bethesda, Maryland

This workshop features CSTEP alum and military doctor, Dr. Wizard Seide, who will speak about her journey to becoming an Army Pediatrician and career opportunities in the United States Public Health Service. She will provide exposure and clarity regarding the unique pathways in military medicine.

DATE AND TIME:

Wednesday, October 27, 2021
4:00-5:00pm via Zoom
