Taneka Lawson, '05
Industrial Engineering

Anthony Jones, PhD, '19
Pharmacology

Connections matter. Together we can do more.

CSTEP alumni are invited to share their insights with CSTEP students during a 1-hour virtual “Focused Friday” session. Your session can be inspired by your career, personal journey, or other areas of expertise. We seek to build connections and develop professional and personal skills for our students.

TO REGISTER: visit <http://www.tinyurl.com/AlumniInsights>

A monthly professional development series for alumni to connect with and inspire CSTEP students at their alma mater.

CSTEP MOTTO: “To whom much is given, much is expected.”
