

# Summer Research Fellowships Awarded to Six UB Medical Students

Posted on 05/23/12 at 09:26 am

A T35 Training Grant from the NIH jointly awarded to UB and Roswell Park will support research fellowships to 6 UB medical students to perform 10 week summer fellowships in the laboratories of UB and Roswell Park faculty in the areas of infectious diseases, microbiology and immunology. A total of 27 applications were received for 6 positions. Based on a rigorous review by a Steering Committee of faculty and educational leaders, fellowships were awarded for the summer of 2012.

The following students were awarded fellowships and chose faculty mentors.

Student Fellow	Faculty Mentor
Moyukh Ghosh	Sandra Gollnick PhD
Aleksandr Kalininskiy	Mark O’Brian PhD
Chinelo Ogbudinkpa	Amy Jacobs PhD
Christopher Sciria	Thomas Russo MD CM
Lauren Schmidt	Anthony Campagnari PhD
Matthew Stevens	Elizabeth Repaskey PhD

The program includes:

- A mentored research project
- A weekly seminar series
- Laboratory practical sessions
- Training in the responsible conduct of research.
- Oral presentations by students at the end of the summer program
- Poster presentations by students at an annual research day.

Co-Principal Investigators are Timothy F. Murphy MD, Senior Associate Dean for Clinical and Translational Research in the UB School of Medicine and Kelvin Lee MD, Chair, Department of Immunology and Vice Chair, Department of Medicine at Roswell Park.
