

Western New York Prosperity Fellowship Letter of Recommendation Instructions

The Western New York Prosperity Fellowship is a prestigious award covering the full cost of University at Buffalo attendance. Your recommendation is critically important to the selection committee.

Western NY Prosperity Fellows are selected primarily on the basis of leadership potential and their desire to contribute to the economic development and sustainability of the Western New York community through their professional career.

Visit the Western NY Prosperity Fellowship website to learn about the program:

<http://academies.buffalo.edu/wnyprosperity/index.php>

Letters of recommendation should be submitted directly to the WNY Prosperity Fellowship Program by close of business on specified application deadline as seen below. Letters of recommendation are accepted via email and hard copy (signature on the seal). If submitted by email, it must be sent from individual submitting letter on applicants behalf.
