IS HOW

→ you reach your goals and
achieve distinction.-----→

UB represents a unique way of doing things.

Here, we prove that how you learn is as important as what you learn. Because only through a culture of perpetual discovery can you master the principles that place you at the forefront of your discipline. And when you're surrounded by ambitious peers from around the world and guided by prestigious faculty from the tops of their fields, you're ready for any challenge, and bound to accomplish more.

Learn more about UB. You'll find more than an extraordinary value. You'll find an education that will prepare you to show the world: here is how.

THE COMMUNITY

- A temperate four-season climate
- Second-biggest city in New York State, and the third most affordable city in the U.S.
- A welcoming and safe city for international students
- An hour's flight from New York City, Washington, Boston, Philadelphia and Chicago
- Located within driving distance of 1/4 of the U.S. population, and just 90 minutes by car to Toronto

STUDENT LIFE

- 300+ student organizations, including more than 25 international clubs
- University-sponsored concerts, art exhibits, theater, films, general-interest lectures, and international festivals and cultural celebrations
- NCAA Division I athletic programs. **Learn more:** ubbulls.com

FACILITIES AND ENGLISH LANGUAGE INSTITUTE

- UB's English Language Institute has one of the leading intensive English programs in the United States. Full-time language instruction and pre-academic training are offered in fall, spring and summer. **Learn more:** buffalo.edu/eli
- UB's multimedia instructional spaces, wireless infrastructure, computational research facilities and laboratory spaces are among the best in the nation.
- UB houses more than 50 major research centers and institutes, focusing on Computational Research; Bioinformatics and Life Sciences; Lasers, Photonics and Biophotonics; and Geographic Information and Analysis.

HOUSING

- On-campus housing for more than 7,000 students, including 15 co-educational residence halls and spacious new apartment communities
- UB housing website: ub-housing.buffalo.edu

ADMISSION REQUIREMENTS

International applicants are evaluated for admission based on the following criteria:

- **Academic qualifications and credentials:** The applicant's academic record.
- **English language proficiency:** The minimum TOEFL score for admission is set by each department; the standard university minimum TOEFL score is 79 iBT or 550 paper-based. The standard university minimum for the IELTS is 6.5 (with no section below 6.0). Applicants with scores below the minimum may be considered on a conditional basis.
- **Standardized tests:** The GRE, GMAT and similar tests may be required by individual departments.
- **Financial support:** All international applicants must document sources of financial support.
