

## **Chelsey Reed**

Institute for Myelin and Glia Exploration  
MD/Ph.D Student, Wrabetz Lab

Chelsey graduated from the University at Buffalo Honor's College with a BS in Biological Sciences and minor in Spanish in 2013. She worked as a Research Apprentice during undergraduate years and following graduation at Roswell Park Cancer Institute.

Chelsey entered medical school at the University at Buffalo in 2014 as part of the MD/PhD program. Following her first two years of medical school, she joined the Wrabetz lab where she is currently pursuing a PhD in neuroscience.
