

## **Rakibul Islam**

Institute for Myelin and Glia Exploration  
Undergraduate Assistant, Beirowski Lab

Rakibul Islam is currently a freshman at University at Buffalo, pursuing a degree in Biomedical Science.

He is from Chittagong, Bangladesh and moved to USA with his family in 2015 and graduated from Hutchinson Central Technical High School as a Salutatorian and AP Scholar in 2020.

From his AP Biology class at high school, he has developed a passion for medicine and extremely interested in Neuroscience.

He loves to read books and play soccer. After graduation, he plans to attend medical school and pursue his career as a Clinical Neuroscientist.
