Awards and Recognition

The Office of the Vice Provost for Faculty Affairs is committed to facilitating and enhancing the recognition of our world-class faculty. We have established this page to highlight the variety of awards and honors available to faculty, share best practices, publicize related events and workshops, and celebrate the exceptional work of UB's faculty.

Award Opportunities

Explore the range of internal and external awards available to support and recognize your teaching, service, and research.

Award Readiness

Thinking about pursuing an award opportunity? Explore tips and best practices to be as competitive as possible.

Recognition

Across campus UB faculty are producing exceptional research and excelling in the classroom. Explore UB, SUNY, and external awardees.

Services and Resources

Interested in identifying or applying to an award but not sure where to start? There are a variety of
