

## Join the Conversation!

You are invited to participate in a Community Engagement Studio. A Community Engagement Studio is a discussion of a topic, in which you give feedback from your perspective to improve research and make it meaningful to the community. Sometimes the use of AI contributes to addiction or addictive behavior. We will talk about AI and addiction, how AI is used or misused, and experiences with addiction.

### Who are we looking for?

- Adults with lived experience with addiction,
- Substance Use/Mental Health Treatment professionals, or
- Community organizations or leaders/advocates.

### What will you do?

- Serve as a community expert,
- Listen to a 20-minute presentation from researchers,
- Share your questions and ideas about AI and addiction,
- Offer insight into your lived experience and journey with AI and addiction, and
- Receive \$50 after the studio is completed.

**We hope you can join us!**

## Studio Details

### Location:

University at Buffalo  
Gateway Building  
77 Goodell Street  
Room 208  
Buffalo, NY 14203

### Date and time:

Tuesday,  
June 16, 2026  
5:30 p.m. – 7:30 p.m.
